or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy where a condition to the policy specifically prohibits such an endorsement, or voids coverage should Contractor enter into such a contract on a pre-loss basis.

7. **Deductibles:** All deductible amounts shall be paid for and be the responsibility of the Contractor for any and all claims under this Contract. Where an SIR or deductible exceeds \$5,000, the City of Port St. Lucie reserves the right, but is not obligated, to review and request a copy of the Contractor's most recent annual report or audited financial statement.

A fully authorized Surety Licensed by the State of Florida shall execute the Performance and Payment Bonds. Work under any project requiring Performance and Payment Bonds hereunder shall not begin unless and until the Contractor complies with this paragraph. The Performance and Payment Bonds shall remain in full force a minimum of one (1) year after the work required has been completed and final acceptance of the project by the City. Should the Surety become irresponsible during the time the Contract is in force, the City may require additional and sufficient sureties and the Contractor shall furnish same to the satisfaction of the City within ten (10) days after written notice to do so. In default thereof, the Contract may be suspended and/or terminated.

A failure on the part of the Contractor to execute the Contract and/or punctually deliver the required insurance, and other documentation may be cause for annulment of the award.

In the event such actions are taken, the Contractor shall promptly give to the City written notice and make immediate contact by phone, of any significant changes in work or deviations from the Contract documents caused thereby, and if such action is deemed appropriate by the City, a written authorization signed by the City covering the approved changes and deviations will be issued.

Thereafter the Contractor shall be entitled to payment, as described in Section VI. All rejected materials that have been corrected shall not be used until the City has issued written

approval to the Contractor. Without unnecessary delay and without any additional cost to the City, all work that has been rejected shall be remedied or removed and replaced in a manner acceptable to the City. If the Contractor fails to promptly remove and properly dispose of rejected materials and/or work then replaces same immediately after being notified to do so, the City may employ labor to remove and replace such defective work and/or materials. If after such notice, the City determines in its sole discretion, it may terminate the Contract, without penalty. The City's consent to any assignment is strictly conditioned upon the third party assuming all obligations under the Contract as it exists at the time of the assignment and/or assumption. Contractor shall ensure that any business transaction complies with the terms of this section, and failure to so comply shall render any alleged assignment and/or assumption void.

SECTION XXIII **TERMINATION, DELAYS, AND LIQUIDATED DAMAGES**

Termination for Cause. The occurrence of any one or more of the following events shall constitute cause for the City to declare the Contractor in default of its obligations under the Contract:

- I. The Contractor fails to deliver or has delivered nonconforming services or fails to perform, to the City's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract, including, but without limitation, the express warranties made by the Contractor;
- II. The Contractor fails to make substantial and timely progress toward performance of the Contract;
- III. In the event the Contractor is required to be certified or licensed as a condition precedent to providing the Services, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
- IV. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law, to the extent allowed by applicable federal or state law, including bankruptcy laws; the Contractor terminates or suspends its business; or the City reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state laws;

- VI. The Contractor has engaged in conduct that has or may expose the City to liability, as determined in the City's sole discretion;
- VII. The Contractor furnished any statement, representation, or certification in connection with the Contract, which is materially false, deceptive, incorrect, or incomplete.

Notice of Default. Except in the case of an irreparable or irreversible breach, default, or noncompliance, which shall be governed as provided below, if there is a default, breach, or noncompliance event caused by the Contractor, the City shall provide written notice to the Contractor requesting that the breach, default, or noncompliance be remedied within the period specified in the City's written notice to the Contractor. If the breach or noncompliance is not remedied within the period specified in the written notice, the City may:

- I. Immediately terminate the Contract without additional written notice(s); and/or

- II. Enforce the terms and conditions of the Contract and seek any legal or reasonable remedies; and/or
- III. Procure substitute services from another source and charge the difference between the Contract and the substitute contract to the defaulting Contractor. Such a charge, in the City's option, may be invoiced to the Contractor and/or may be deducted from payments due to the Contractor. Deductions thus made will not excuse the Contractor from other penalties and conditions contained in the Contract.

Irreparable or Irreversible Breach, Default, or Noncompliance. The parties agree that there may be certain breaches, defaults, or acts or omissions of noncompliance that are, by their very nature, irreparable or irreversible. In the event of a breach, default, or noncompliance that is irreparable or irreversible, the City may immediately terminate this Contract upon notice of its decision to exercise this termination right, without providing prior notice or a remedy period. Whether a breach, default, or noncompliance is irreparable or irreversible will be determined in the sole discretion of the City.

Termination for Convenience. The City, in its sole discretion, may terminate this Contract at any time without cause, by providing at least thirty (30) days' prior written notice to Contractor. Following termination without cause, the Contractor shall be entitled to compensation upon submission of invoices and proper proof of claim, for services provided under the Contract to the City up to the time of termination, pursuant to Florida law.

Conversion of Termination for Cause to Termination for Convenience. If the City terminates this Contract for cause, and the basis for such termination is later found to be insufficient, then the termination shall automatically convert to a termination for convenience. In such an instance, the notice provided in the Notice of Default or Irreparable or Irreversible Breach, Default, or Noncompliance sections shall serve as the City's notice for termination for convenience.

Liquidated Damages for Delays. If material is not provided or work is not completed within the time stipulated in this Contract, including any extensions of time for excusable delays as herein provided, the Contractor shall provide to the City one hundred dollars (\$100.00) as fixed, agreed, and liquidated damages for each calendar day of delay until the work is completed. The parties agree that this amount represents a good faith estimate on the part of the parties as to the actual potential damages that would occur because of late completion. Contractor hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of City's actual damages at the time of contracting. The Contractor and his sureties shall be jointly and severally liable to the City for the total amount thereof. This shall be the City's sole remedy as to these delays. Any other provision herein that provides for multiple, alternative, discretionary, or cumulative relief, shall not apply to this paragraph.

SECTION XXIV **APPROPRIATION APPROVAL**

The Contractor acknowledges that the City of Port St Lucie's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the City Council. The Contractor agrees that, in the event such appropriation is not forthcoming, this Contract may be terminated by the City effective the last date for which funding was appropriated and that no charges, penalties, or other costs shall be assessed.

SECTION XXV **LAW, VENUE, AND WAIVER OF JURY TRIAL**

Records shall include, but are not limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; canceled checks; deposit slips; bank statements; journals; original estimates; estimating worksheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence. - B. If Contractor enters into a contract with a subcontractor, Contractor must require each and every subcontractor to provide the Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontractor with an unauthorized alien. The Contractor shall maintain a copy of each and every such affidavit(s) for the duration of the Contract and any renewals thereafter.
- C. The City shall terminate this Contract if it has a good faith belief that a person or an entity with which it is contracting has knowingly violated section 448.09(1), Florida Statutes.
- D. Contractor shall immediately terminate any contract with any subcontractor if Contractor has, or develops, a good faith belief that the subcontractor has violated section 448.09(1), Florida Statutes. If the City has or develops a good faith belief that any subcontractor of Contractor knowingly violated section 448.09(1), Florida Statutes, or any provision of section 448.095, Florida Statutes, the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.

A contractor is liable for any additional costs incurred by the City as a result of the termination of the contract.
- F. The City, Contractor, or any subcontractor may file a cause of action with a circuit or county court to challenge a termination under section 448.095(5)(c), Florida Statutes, no later than twenty (20) calendar days after the date on which the Contract was terminated. The parties agree that any such a cause of action must be filed in St. Lucie County, Florida, in accordance with the Venue provision herein.
