Legal Description:

Property Owner:

As required by §197.3632, Florida Statutes, the City of Port St. Lucie, Florida, is providing notice that an annual assessment using the tax bill collection method may be levied on your property. The purpose of the assessment is to provide funding for Residential Street Lighting. The use of an annual special assessment for residential street lighting services within the City of Port St. Lucie has proven to be a fair, efficient and effective means of funding these services. The unit of measurement to be applied against each parcel to determine the assessment is calculated by multiplying the number of units on each parcel by the rate of the assessment.

The assessment rate per unit for prior fiscal year 2022/2023 was:	\$26.00
No change to the rate:	\$ 0.00
The proposed assessment rate per unit for fiscal year 2023/2024 is:	\$26.00

The total number of units calculated for the above referenced parcel is «UNIT» for which the City proposes an assessment of \$«AMOUNT» for fiscal year 2023-2024. The total revenue the City will collect by the assessment is estimated to be **\$492,137.62** for fiscal year 2023-2024. The Residential Street Lighting Assessment will be levied and collected in the same manner as ad valorem taxes by the Tax Collector of St. Lucie County and will appear on the “non-ad valorem” portion of the November 2023 property tax bill and future bills. Failure to pay the residential street lighting assessment when due, will cause a tax certificate to be issued against the property or foreclosure proceedings to be instituted, either of which may result in a loss of title to the property. Unpaid or delinquent fees, charges, or assessments due the city for residential street lighting services allocable to specific parcels will be additionally included in the residential street lighting assessment.

The Public Hearing will be held during the regular City Council meeting on Monday, September 11, 2023 at 6:30 p.m. in the Council Chambers, City Hall, 121 S.W. Port St. Lucie Boulevard, Port St. Lucie, Florida 34984. All affected property owners have the right to appear and to file written objections with the City Clerk within twenty (20) days of this notice. **Attendance at this public hearing is NOT mandatory. Please visit www.cityofpsl.com/tv for public comment options.** At the hearing, the City Council will consider comments and objections to the Residential Street Lighting Assessment roll, and will consider the assessment roll as final, including any changes, as necessary. Upon the filing of such assessment roll with the St. Lucie County Tax Collector, the assessments shall stand as legal, valid and binding liens, and pursuant to Section 170 et seq., Florida Statutes, co-equal with the lien of all state, county, district, and municipal taxes, superior in dignity to all other liens, titles, and claims, until paid. In accordance with the Americans with Disabilities Act (“ADA”), persons requesting accommodation should contact the ADA Coordinator at (772) 344-4345 at least seven (7) days prior to the hearing.
