

Justification of the Proposed Change:

I would like to be able to use my empty lot without getting code enforcement violations from the city CE-18-01490, and CE-22-06303. I would also like the ability to one day put a shed on this property just like 801 SW Haas Ave, see below. This code change will allow other empty lot owners permission to use their property as they would like to use their property and not be in violation of city Code.

3211 SW Crumpacker St.

801 SW Haas Ave is owned by 1775 SW Gatlin BLVD, No primary structure, how was this built?

547 SW Ryder Rd.

444 SW Narco Ct.

369 SW Kestor Dr.
