Hello Jasmin,

We are requesting the use of the PSL City's logo on our Upgraded Mobile Hygiene Unit the first of it's kind in the state since 2019. As the recipient of Impact 100 St Lucie 2022 which us allowed us to expand.

Also we had the honor of using your logo for our back to school event and health fair last year 2022.

August 6 at the Mid Florida event center is our free haircuts and pigtails for back to school. Date TBD is our free school health fair in July 2023. We partner with The Hands Clinic and Cleveland Clinic. This takes place Church of God of the Treasure Coast on Savona. If you require any information please reach out. Have a great day. Someone will be present that day.

God does not call the equipped. He equips the called!

Good morning Ms. Brown,

All requests to use the City Logo have to be approved by our City Council. I will prepare the request to get this added to the next City Council meeting agenda for review, which is February 13, 2023. If this date does not work for you, the next meeting date is February 27, 2023.

Can you share additional details about your New Mobile Hygiene Pantry Unit and the upcoming events that your looking to use the City logo for?

The meeting starts at 6:30pm and is held in Council Chambers at City Hall (121 SW Port St. Lucie Blvd) It's strongly encouraged to have a representative attend the meeting in case the Council have any questions. You may also sign up at the beginning of the meeting to speak on your item which will provide you 3 minutes to share any information you would like about your mission/upcoming events.

Thank you
