MEMORANDUM

TO: Bridget Kean, Planning & Zoning

FROM: Diana Spriggs, P.E. – Regulatory Division Director, Public Works

DATE: September 1, 2022

SUBJECT: P22-220 Project Apron Site Plan
Traffic Generation, Stacking & Circulation Approval

This application and Traffic Impact Statement prepared by MacKenzie Engineering & Planning, Inc. dated August 18, 2022 has been reviewed by the Public Works Department and the transportation elements of the project were found to be in compliance with the adopted level of service and requirements of Chapter 156 of City Code, and Public Works Policy 19-01pwd.

The Traffic Statement provided indicates an anticipated 211 PM Peak Hour trips based on the Institute of Traffic Engineers Trip Generation Manual. The current construction of SW Anthony F. Sansone Sr. Boulevard is being constructed to accommodate any traffic impacts from this proposed development.

Left turn lanes into the project site are provided for both full opening driveways on SW Antony F. Sansone Sr. Boulevard.
