

# VETERANS MEMORIAL PARK

2100 SE Veterans Memorial Parkway

Established 1995

# POW / MIA Chair of Honor

- Members of Rolling Thunder, Inc., Florida Chapter 6 are requesting authorization to place a POW/MIA Chair of Honor at Veterans Memorial Park
- The proposed memorial is relatively small in size, and requires a 5'x5' concrete slab
- The Chair symbolizes the ultimate sacrifice given by each POW/MIA service member held captive and/or whose remains have not been returned
- The empty chair is a reminder that America's POW/MIAs may be absent, but they are not forgotten

# Project Funding

- The members of Rolling Thunder, Inc., Florida Chapter 6, will bear all costs related to the acquisition, fabrication, etching, engraving, delivery, and placement of the granite POW/MIA Chair of Honor.
- The members of Rolling Thunder will also provide a plaque and mounting post that describes what the Chair of Honor represents and other pertinent information.
- The Parks & Recreation Department will properly prepare the location within Veterans Memorial Park on which the POW/MIA Chair of Honor will be located, including preparing the ground, pouring a concrete slab/foundation, and providing appropriate landscaping.
- Project funds will be found within the FY 2022-2023 annual operating budget of the #001-7210 cost center (Parks Division).

# Questions and/or Recommended Action

- Staff Recommendation: Move that the Council approve the placement of the POW / MIA Chair of Honor at Veterans Memorial Park
