

Prima Vista Shops Planned Unit Development Amendment No. 2 P22-349

Project Location Map

SUMMARY

SOMMANI		
Applicant's Request:	Amend the PUD (Planned Unit Development) document and conceptual plan	
	for the Prima Vista Shops PUD.	
Agent:	Jason Bellows, Retail Development Properties, LLC	
Property Owner:	CSC Properties, LLC	
Location:	ocation: The property is located on the north side of NW Prima Vista Boulevard, ea	
	of NW Friar Street	
Project Planner:	Bethany Grubbs, Planner III	

Project Description

This is the second amendment to the Prima Vista Shops PUD document and conceptual plan. This amendment proposes to add a right-in-only driveway off Prima Vista Boulevard for access to the property,

Lots 1 and 2 of the PUD are developed with existing access points. The main entry for this PUD is off Prima Visa Boulevard, with a secondary access point off Friar Street. A cross-access easement was formalized during the subdivision plat application.

Special Consideration

Two existing single-family residences are located east of the site. The residences' driveways will be located within the proposed turn lane. Section 158.222 of the Zoning Code was updated in 2022 to require that single-family residential dwelling units on designated arterial or collector streets which are two lanes or greater shall be required to construct a circular drive or a ten-foot by 20-foot paved turn-around area adjacent to the drive is required. Staff requested that the applicant notify the adjacent property owner of the residence located at 533 NW Prima Vista Boulevard, that as part of this project, they are willing to provide a hammerhead driveway to allow a turnaround versus backing into Prima Vista Boulevard. The applicant mailed a letter offering to construct the hammerhead to the adjacent property owner and it was delivered on May 4, 2023. The single-family residence located at 549 NW Prima Vista Boulevard was constructed in 2022 with a hammerhead as required by code.

IMPACTS AND FINDINGS

COMPREHENSIVE PLAN REVIEW

Land Use Consistency

This PUD amendment is consistent with the direction and policies of the Comprehensive Plan and furthers Policy 1.1.4.10 and Policy 2.1.2.3.

Policy 1.1.4.10: The following densities and intensities shall apply to the future land use designations:

• CG (General Commercial) – Lot Coverage: 40%, Height: 35 feet, Impervious Surface Area: 80%

Policy 2.1.2.3: Review access points and driveways associated with development to assure safety and compatibility with the existing and future roadway network. Impose requirements for conformity as a condition of development approval based on the City's existing access standards, which are equal to or greater than those of FDOT. New development shall attempt to accommodate more than one access point.
