6.d Review the Selection Committee's Recommendation for the Installation of Sculptures for Two Roundabouts Located on Paar Drive [2026-093](#)

(Clerk's Note: This item was heard after Item 6a.)

(Clerk's Note: A PowerPoint was shown at this time.) Josh Lapp, Designing Local, gave a brief presentation on the Selection Committee's recommendation for the installation of sculptures for the two roundabouts for Paar Drive. He explained that Michael McLaughlin's pieces were not final and that the artist would engage with the community to finalize his pieces. He also noted that the three pieces would be located within a single roundabout. Ms. Sullivan added that the Selection Committee had discussed Vito Di Bari's Crane piece, agreeing that it was beautiful and a strong fit; however, they felt a roundabout was not an appropriate setting. Instead, they believed a more prominent, highly visible location, such as City Hall, would be more suitable.

Ms. Malingowski moved to recommend approval of Michael McLaughlin's & Molly Mason's (without the snake) art pieces for the Paar Roundabouts to the City Council. She also recommended that the City Council purchase Vito Di Bari's Crane piece to be used in a prominent location to be determined in the future. Ms. Williams seconded the motion, which passed unanimously by voice vote.

7. Unfinished Business

Ms. Sullivan stated that the City's Treasure Map needed to be completed as it was being sent out with promotional information. Ms. Todd moved recommend that the City's Treasure Map discussion be included on the agenda for the next meeting. Ms. Williams seconded the motion, which passed unanimously by voice vote.
