

Residential Culvert Assistance Pilot Program

Proposed Culvert Assistance:

Twenty-Three properties to be added to the 2026 roll with an assessment value of:	\$ 181,329.31
Current Loan Terms for 2026:	10 years – 0% Interest

- Costs will vary by property.
- The project will be completed within 6 months of the executed agreement or within the current fiscal year.

Culvert Program Importance:

- Public Works allocated \$400,000 for Fiscal Year 2025/26
- Following the contract, the payment will be included on the resident's tax roll the following year.
- There are a total of 23 parcels on the culvert roll for 2026.

Culvert Program Importance:

- Homeowners will be notified about failed culverts.
- Homeowners must agree to certain terms to be able to qualify for the program.
- Permit will remain open for 1 year after the application is approved and processed.
- City's Code of Ordinance Sect. 41.08(g) requires the owners of improved property to maintain and replace as necessary the culvert pipe beneath any driveway crossing the swale in a manner such as not to impede or interfere with the stormwater drainage function of the swale.

Thank you!
