Good morning,

Our agency is hosting a Senior Forum for seniors aged 60 and older in St. Lucie County, and their caregivers. The forum is sponsored by Florida Power & Light. This is a free event that will connect participants to energy assistance, home and community-based services, Medicare/Medicaid assistance, and more. We will have English, Spanish, and Creole speaking facilitators at the event, as well as a light breakfast and lunch (free of cost), so all are encouraged to attend.

The event is taking place at the Fenn Center in Fort Pierce, but as previously mentioned, it's for St. Lucie County senior residents and caregivers, not just residents of Fort Pierce. If possible, we'd like to have this event shared on your website. I have attached an English, Spanish, and Creole version of the flyer for your review. This is the important information for the event:

Date: December 4th

Time: 9:00am - 1:00pm

Location: Havert L. Fenn Center

Cost: Free

RSVP required: YES

Deadline to RSVP: November 25th

Contact Person: Juliana Ortiz

T: (561) 214-8612

E: jortiz@aaaapbtc.org

We have space for 100 participants, which is why we are asking those who are interested to RSVP so that we can have a headcount.

Lastly, these are the vendors that will be at the event with information for attendees:

- Florida Power & Light

Council on Aging of St. Lucie

- St. Lucie Department of Health
- Department of Children and Families
- Alzheimer's Community Care
- MorseLife Care Management and Counseling Services
- Legal Aid Society of Palm Beach County
- Serving Health Insurance Needs of Elders (SHINE)
- Elder Rights
- Area Agency on Aging Helpline
- Healthy Aging

If you need any other information, or have questions, please do not hesitate to reach out to me. I am available both by phone and email.

Thank you for your time!

Juliana T. Ortiz

Communications Coordinator
