

## PETITION TO THE CITY OF PORT ST. LUCIE

Economy Self Storage has requested to improve our lot at 1915 SW HAYWORTH AVE. The reason we wish to utilize the lot is for drop off and parking of rented UHaul equipment after our business hours. This would alleviate parking equipment in the swales, ensure community safety on the roadway, as well as provide improved security for individuals returning UHaul equipment. This request has been denied due to isolation of the adjacent lots. The City of Port St Lucie has the ability to approve our request and we do not believe it in the best interests of the public to deny this use of our land.

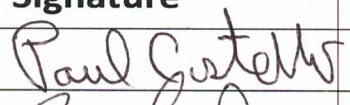

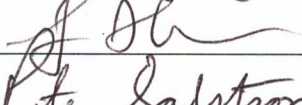

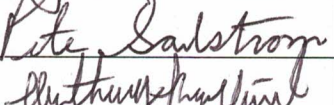

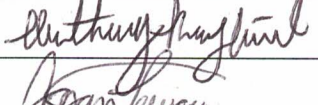

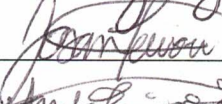

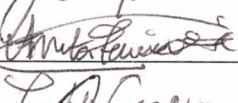

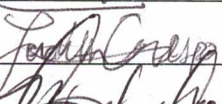

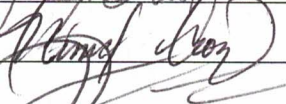

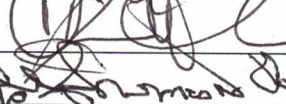

We petition the City of Port St. Lucie to approve our land use as we have requested.
