Proposed maintenance performed by the City will then be based on recommendations by FDOT and review of said reports by the Consultant. Structural design plans associated with maintenance and improvements may also be required under this Contract.

a. Bridge Inspections

The Consultant will review the bridge inspection reports provided by FDOT and compile an aggregated report outlining their findings. The Consultant will review the existing bridge rating and conditions and make recommendations on identified budgetary needs for critical bridge repairs, maintenance and/or replacement projects.

The Consultant may prepare plans, specifications and Bid Reply's for maintenance and repair. The Consultant may be requested to aid in bridge and structure plan review as well as attendance at pre-bid and pre-construction meetings for projects involving bridges and structures. 2. Traffic Signal Mast Arms

The City maintains approximately two hundred ninety (290) traffic signal mast arms (TSMA). This Contract may include structural design, review, and analysis services related to the City's TSMA's and strain poles.

The Consultant shall provide and perform the following services, which shall constitute the Scope under the covenants, terms, and provisions of this Contract.

The first order of the qualifying firms will be determined by ranking. The number one ranked firm will be first in the rotation; the number two firm will be ranked second on the rotation, and so on. The method of award for the 'Continuing Services Projects' will be based on a strict rotation basis. The Procurement Management Division will establish a data base and monitor the rotation of the awards to the firms.

The following EXCEPTIONS shall apply to the rotation list:

1. The prime firm selected under the continuing contracts may not function as a prime Consultant for another discipline for the same project. If that situation arises, the next firm in the rotation will be utilized and that skipped firm will be first in line for the next project in the rotation.

2. The exception to #1 is that one firm is able to provide all disciplines (all-inclusive firm) as defined in the scope of work.
3. If a firm indicates in writing that it is unable to meet the scope of work or schedule for the specific project.

The selected firms will be evaluated by the City upon completion of a project or, at a minimum, annually, to verify current qualifications, capacity, and experience. The evaluations will be used as a measurement of the firms' performance and may be included in the review process for future solicitations for services by the City. Any unsuitable evaluation may result in termination of the existing Continuing Services Contract.

Project Assignments:

The City shall make requests of the Consultant to perform services on a strict rotation basis. The City will communicate with the Consultant, verbally or in writing, a general description of the task to be performed. If a site visit by the Consultant is needed to generate the scope of work, the Consultant shall request approval prior to visiting the site. The Consultant will generate a detailed Scope of Work document, prepare a Schedule, and a Not-to-Exceed Budget, Time and Expense or Lump Sum Fee to accomplish the task with a detailed cost breakdown based on the hourly rate schedule identified in the Contract. The detailed cost breakdown shall consist of the major sub-tasks and man-hour breakdown for the work to be performed. The cost breakdown shall include all subconsultants' work and the Proposal shall include the written price from all subconsultants.

The City will review the Proposal and if the description, cost, and other details of the Proposal are deemed by the City to be in the City's best interests, the parties will enter into a mutually agreeable written contract. The Scope of Services generally to be provided by the Consultant through a Purchase Order may include engineering and surveying services for any City project and may contain written terms and conditions which are deemed supplemental to this Contract.

The City will issue a notice to proceed to the Consultant in the form of a Contract and an executed City purchase order. Deductions thus made will not excuse the Consultant from other penalties and conditions contained in the Contract.

All payments not made within the time specified by this section shall bear interest from thirty (30) calendar days after the due date at the rate of one (1) percent per month on the unpaid balance.

Taxes - Consultant is responsible for all federal, state, and local taxes and other charges related to the performance of this Contract.

Repair or Replacement - Should any defect appear during the warranty period, the Consultant shall, at his own expense, have repaired or replaced such item upon receipt of written notice from the City of said defect.

Said repair or replacement must be accomplished within fourteen (14) calendar days after receipt of notification from the City of the defect.

Deductions - In the event the City deems it expedient to perform work which has not been done by the Consultant as required by these Specifications, or to correct work which has been improperly and/or inadequately performed by the Consultant as required in these Specifications, all expenses thus incurred by the City, in the City's option, will be invoiced to the Consultant and/or may be deducted from payments due to the Consultant. Deductions thus made will not excuse the Consultant from other penalties and conditions contained in the Contract.

Waiver - Except as specifically provided for in a waiver signed by duly authorized representatives of the City and the Consultant, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach. Each waiver, if mutually agreed upon, shall be published as a Contract amendment.

- II. The Consultant fails to make substantial and timely progress toward performance of the Contract;

- IV. The Consultant becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Consultant terminates or suspends its business; or the City reasonably believes that the Consultant has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;

Any such charge, in the City's option, may be invoiced to Consultant or deducted from sums due to the Consultant. Deductions thus made will not excuse the Consultant from other penalties and conditions contained in the Contract.

Termination for Convenience - The City may, at any time, with or without cause, or for its convenience, terminate all or a portion of the Contract upon thirty (30) days written notice to Consultant. Any such termination shall be accomplished by delivery in writing of a notice to Consultant. Pursuant to 2 CFR 200.327 and Appendix II of 2 CFR 200, the following federal requirements and contract provisions are incorporated herein, where applicable.

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

All contracts in excess of \$10,000 must address termination for cause and for convenience by the City of Port St. Lucie including the manner by which it will be affected and the basis for settlement. Termination for cause and for convenience by the City of Port St. Lucie, including the manner by which it will be affected and the basis for settlement, are addressed in Section XXI of the Contract.

The following Items (1) through (23) are “MANDATED CONDITIONS” that will be incorporated into this Contract, where applicable.

(1) EQUAL OPPORTUNITY EMPLOYMENT

In accordance with 41 C.F.R. §60-1.4(b), the sub-recipient/contractor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this Contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor's](#) legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The contractor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The contractor further agrees that it will refrain from entering into any contract or [contract modification](#) subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain

from extending any further assistance to the contractor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such contractor; and refer the case to the Department of Justice for appropriate legal proceedings.

(2) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient/contractor hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this Contract.

Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the federal awarding agency may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

Breach. A breach of the contract clauses above may be grounds for termination of the Contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(3) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

For contracts to be in compliance with the Contract Work Hours and Safety Standards Act the following are required:

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The federal awarding agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(4) **CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT**

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q).

The contractor agrees to report each violation to the City of Port St. Lucie and understands and agrees that the City of Port St. Lucie will, in turn, report each violation as required to assure notification to the federal awarding agency, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by the federal awarding agency.

The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant the Federal Water Pollution Control Act as amended (33 U.S.C.1251-1387).

The contractor agrees to report each violation to the City of Port St. Lucie and understands and agrees that the City of Port St. Lucie will, in turn, report each violation as required to assure notification to the federal awarding agency, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract

exceeding \$150,000 financed in whole or in part with federal assistance provided by the federal awarding agency.

The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by the federal awarding agency.

(5) SUSPENSION AND DEBARMENT

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by the City of Port St. Lucie. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the City of Port St. Lucie, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(6) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonFederal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

(7) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

- a. If the Sub-Recipient/contractor, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient/contractor shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:
 - 1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - 2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - 3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
 - 4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
 - 5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - 6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs 1 through 5 of this subparagraph.
- b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.
 - I.
- c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.
 - II.
- d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(8) Davis-Bacon Act, as amended (40 U.S.C. 3141–3148)

As required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

The Wage Decision applicable to an individual project will be provided in the specific contract for the project.

(9) PROCUREMENT OF RECOVERED MATERIALS

Contractor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certification to City of Port St. Lucie. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage for recovered material practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds ten thousand (\$10,000) dollars or the value of the quantity acquired during the preceding fiscal year exceeds ten thousand (\$10,000) dollars; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

In the performance of this Contract, the contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired competitively within a timeframe providing for compliance with the Contract performance schedule; meeting Contract performance requirements; or at a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA’s Comprehensive Procurement Guidelines webpage:
<https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>

The contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

(10) PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

(a) *Definitions.* As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in Title 2 CFR §200.216 of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and as adopted by the federal awarding agency, as used in this clause—

(b) *Prohibitions.*

- (1) Section 889(F)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.
- (2) Unless an exception in paragraph (c) of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds to:
 - (i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - (ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
- (1) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
- (2) Telecommunications or video surveillance services provided by such entities or using such equipment.
- (3) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

- (iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
- (iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Exceptions.*

(1) This clause does not prohibit contractors from providing—

- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
- (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to:

- (i) Covered telecommunications equipment or services that: i. Are not used as a substantial or essential component of any system; and ii. Are not used as critical technology of any system.
- (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d) *Reporting requirement.*

(1) In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during Contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this Contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause:

- (i) Within one business day from the date of such identification or notification: The Contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.
- (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts*. The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

(11) RIGHT TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Contractor agrees to comply with the above requirements when applicable.

(12) DOMESTIC PREFERENCE FOR PROCUREMENTS

As appropriate, and to the extent consistent with law, the contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

For purposes of this clause:

Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

(13) BUILD AMERICA, BUY AMERICA (BABA):

Build America Buy America Act (“BABA”), as amended from time to time, applies a domestic content procurement preference requirement to Federally funded public “infrastructure” projects. It is the responsibility of the Contractor to review the most up to date and current language, terms, and conditions of BABA and to ensure that, if the project triggers BABA requirements, the Contractor is abiding by the domestic content procurement requirements and/or obtaining any applicable waiver. Contractor agrees to indemnify and hold the City harmless in regard to the fulfillment any BABA requirements.

This agreement is for services related to a project that is subject to the Build America, Buy America Act requirements under Title IX of the Infrastructure Investment and Jobs Act (“IIJA”), Pub. L. 117-58. Absent an approved waiver, all iron, steel, manufactured products, and construction materials used in this project must be produced in the United States, as further outlined by the Office of Management and Budget’s Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for

Infrastructure, April 18, 2022, and Additional Guidance for Implementing the Build American, Buy American Act, August 23, 2023.

Contractors and their subcontractors who apply or bid for an award for an infrastructure project subject to the domestic preference requirement in the Build America, Buy America Act shall file the required certification to the nonfederal entity with each bid or offer for an infrastructure project, unless the federal awarding agency waives a domestic preference requirement. Contractors and subcontractors certify that no federal financial assistance funding or nonfederal matching funds (if required) for infrastructure projects will be provided unless all the iron, steel, manufactured projects, and construction materials used in the project were produced in the United States (BABA, Pub. L. No. 117-58, §§ 70901-52). Contractors and subcontractors shall also disclose any use of federal financial assistance for infrastructure projects that do not ensure compliance with the BABA domestic preference requirement. Such disclosures shall be forwarded to the recipient who, in turn, will forward the disclosures to the federal awarding agency; subrecipients will forward disclosures to the recipient, who will, in turn, forward the disclosures to the federal awarding agency.

For federal financial assistance programs subject to BABA, contractors and subcontractors must sign and submit the attached certification to the next tier (e.g., subcontractors submit to the contractor; contractors submit to the subrecipient or recipient, as applicable) for each bid or offer for an infrastructure project that does not have an applicable BABA waiver. Contractor shall complete and return a fully executed certification to the City before beginning work on the project.

(14) ACCESS TO RECORDS

The contractor agrees to provide the City of Port St. Lucie, the federal awarding agency, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers and records of the contractor which are directly pertinent to the Contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor shall maintain records for a period of five (5) years after all funds have been expended or returned to the City of Port St. Lucie, whichever is later.

The contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The contractor agrees to permit the federal awarding agency or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the Contract.

In compliance with the Disaster Recovery Act of 2018, the City of Port St. Lucie and the contractor acknowledge and agree that no language in this Contract is intended to prohibit audits or internal reviews by the federal awarding agency or the Comptroller General of the United States.

(15) CHANGES

To be allowable under the grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable.

(16) COMPLIANCE WITH FEDERAL LAW, REGULATIONS AND EXECUTIVE ORDERS

This is an acknowledgement that federal financial assistance will be used to fund all or a portion of the contract. The Contractor will comply with all applicable Federal law, regulations, executive orders and policies, procedures and directives.

(17) NO OBLIGATION BY FEDERAL GOVERNMENT

The Federal Government is not a party to this Contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the Contract.

(18) PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENT OR RELATED ACTS

Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this Contract.

Any procurement involving funds authorized by this Agreement must comply with all applicable federal and state laws and regulations, to include [2 C.F.R. 200.318 through 200.326 as well as Appendix II to C.F.R. Part 200](#).

(19) INCREASING SEAT BELT USE IN THE UNITED STATES

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), contractor should adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented or personally owned vehicles.

(20) REDUCING TEXT MESSAGING WHILE DRIVING

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Contractor should adopt and enforce policies that ban text messaging while driving and should establish workplace safety policies to decrease accidents caused by distracted drivers.

Any publications produced with funds from this award must display the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to [name of Recipient/Contractor] by the [federal awarding agency]."

(22) COPYRIGHT AND DATA RIGHTS (If applicable)

License and Delivery of Works Subject to Copyright and Data Rights

The contractor grants to the City of Port St. Lucie, FL, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this Contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the City of Port St. Lucie, FL or acquires on its behalf a license of the same scope as for data first produced in the performance of this Contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this Contract, the contractor will deliver to the City of Port St. Lucie, FL data first produced in the performance of this Contract and data required by the Contract but not first produced in the performance of this Contract in formats acceptable by the City of Port St. Lucie, FL.

(23) ARPA CIVIL RIGHTS ASSURANCES

1. Contractor ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
 2. Contractor acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Contractor understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Contractor shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Contractor’s programs, services, and activities.
 3. Contractor agrees to consider the need for language services for LEP persons when Contractor develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>
 4. Contractor acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Contractor and Contractor’s successors, transferees, and assignees for the period in which such assistance is provided
- Contractor acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and

agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Contractor and the Contractor's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

Contractor and any sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.
