

MEMORANDUM

TO: City of Port St. Lucie
FROM: GrayRobinson
DATE: January 16, 2022
SUBJECT: 2022 Legislative Session – Week 1 (January 10-14)

The 2022 Legislative Session kicked off on January 11, 2022 with a joint session of the Senate and House for the Governor’s annual State of the State speech. Governor DeSantis laid out his agenda, including an emphasis on education, waterways, law enforcement, election integrity, and the right to life. Following this and remarks from President Wilton Simpson and Speaker Chris Sprowls, legislators began the business of the 60-day legislative session.

During this session, we expect to see issues involving appropriations, redistricting, data privacy, legalization of recreational marijuana and abortion arise. These and other topics are covered below in our summary of the week in Tallahassee.

Notable Topics

State of the State Address

During the annual State of the State Address, Governor DeSantis made his priorities clear for this legislative session. He recommended a \$99.7 billion dollar budget with more than \$15 billion in reserves. His education focuses include eliminating FSA testing and replacing it with periodic progress monitoring, further increasing teacher pay, keeping tuition affordable, and supporting apprenticeship programs. As well, he implored the Legislature to continue efforts for safeguarding Florida's natural resources, improving water quality and restoring the Everglades. DeSantis voiced his commitment to safe communities by stating he will not allow law enforcement to be defunded, bail to be eliminated, criminals to be prematurely released from prison or prosecutors to ignore the law. He proposed an election integrity unit and additional funds for foster parents and urged Legislature to enact protections for data privacy. DeSantis also recommended strengthening protections for Floridians' 2nd Amendment rights and the right to life.

Appropriations

Chris Spencer, the Governor's Policy and Budget Chief presented the Governor's proposed budget to the House and Senate in committee. Of the \$99.7 billion proposal, the Governor proposed the biggest portion of funding at 46% to Health and Human service, and the second highest allocation to Education with 27.8%. The budget includes a \$1 billion gas tax holiday, as well as pay raises for law enforcement, correctional officers and state employees. It also includes

\$6 million to create an election security force, \$661 million for Everglades restoration, \$642 for Bright Futures, and \$355.5 million for affordable housing programs. These proposals were met with questions from both sides.

Redistricting

The Senate Congressional Reapportionment Subcommittee narrowed four maps down to two, SB 8038 and SB 8040 for Sen. Ray Rodrigues, Chair of Reapportionment, to consider for the final draft of the bill. Senator Rodrigues has been open about his concerns expressing that he intends to file one amendment, but his implication is that there are potentially other ones coming. Sen. Rouson criticized the proposals for splitting Tampa and submitted his own draft, SB 8052. The drafts could allow an extra congressional seat for the Democrats to gain, making the Florida Congressional Delegation 16 Republicans and 12 Democrats (11 prior). Ultimately, in the Thursday meeting of the Senate Reapportionment Committee, Chair Rodrigues submitted his official recommendations as amendments to Senate Joint Resolution 100 (Congress) and Senate Bill 102 (Senate).

Local Ordinances

After President Simpson showed his support for bills that can force local governments to pay for businesses regulatory takings, SB 280 (Hutson) moved through its first committee stop (Community Affairs) on a party-line vote. This bill allows businesses and individuals to sue cities and counties to block enforcement of new ordinances that would negatively affect revenue or income. This bill faced opposition from several local governments, environmental and progressive groups. The next and final stop is before the Rules Committee after being removed from the Judiciary Committee.

Emergency Fund Legislation

SB 96 and SB 98 set up a \$1 billion Emergency Preparedness and Response Fund which will go towards emergencies like hurricanes and the COVID-19 pandemic. Last year, a similar proposal was approved but DeSantis vetoed it after questions of using federal stimulus dollars were raised. The bill sponsor, Sen. Burgess, shifted the source of funds to the state general revenue fund in this year's proposal. On Wednesday, the Senate Appropriations Committee voted 9-7 to set aside the funds.

Abortion

On Tuesday, Sen. Stargel filed SB 146 that bans abortions after 15 weeks. Rep. Grall filed the House version, HB 5, on Tuesday. This bill is similar to Mississippi's abortion law that is currently being heard by the U.S. Supreme Court and could overturn *Roe v. Wade*. DeSantis expressed his support for this proposal. Democratic opponents held a press conference where Agriculture Commissioner Nikki Fried urged Floridians to unite and fight.

Marijuana

With around 10 marijuana-related bills in this session, Democratic lawmakers are calling for the legalization of marijuana (HB 467). Rep. Hinson, during a press conference, stated Florida is falling behind other states that have already legalized cannabis. Rep. Thompson and others argued that the prohibition is harming Floridians, specifically minorities. Decriminalization would free up state resources and minimize overcrowding in state prisons, mentioned Rep. Joseph. Her proposal (HB 725) calls for decriminalizing addictive drugs, only facing a non-criminal \$50 fine.

Data privacy

A priority of DeSantis, this bill would allow consumers to control how their personal data is shared and sold. Business interests oppose this bill, stating it would cause operational and legal expenses. HB 969 passed unanimously however the Senate version, SB 1734, drew opposition from some Democrats and Republican Sen. Jeff Brandes.
