RESTRICTIVE COVENANTS

The following restrictions, covenants, and provisions (collectively, "Restrictive Covenants") are a part of the conveyance described in the Special Warranty Deed ("Deed") to which these Restrictive Covenants are attached. These Restrictive Covenants are covenants running with and applicable to the land ("Land") described in the Deed and shall be binding upon Grantee and its successors and assigns.

1. Grantee shall dedicate a portion of the Land for development of the site for Project Connect/Accel International ("Accel Site"). Unless otherwise agreed in writing by Grantor, the Accel Site shall include a minimum of 150,000 square feet for industrial, manufacturing and warehouse/distribution/fulfillment as well as ancillary office uses ("Industrial Use"). Unless otherwise agreed in writing by Grantor, the remaining portion of the Land ("Alternative Site"), may be used to expand the Accel Site to an aggregate of up to the greater of (i) 400,000 square feet, of Industrial Use ("Accel Site Expansion") or (ii) the maximum permitted by law. If the Alternative Site is not used to expand the Accel Site, Grantee shall work with the Economic Development Council of St. Lucie County ("EDC") to procure tenants or buyers that are target industry businesses to relocate or expand their operations to the Alternative Site for Industrial, Office or Research and Development uses only. The uses provided for herein for the Accel Site and for the Alternative Site shall hereinafter be collectively referred to as the "Permitted Use".

In the event that the Grantee sells the Alternative Site, or any portion thereof, to an unaffiliated third party which is not a targeted industry business paying average wages above the St. Lucie County average wage prior to opening the Accel Site Expansion for business for one (1) day ("Alternative Site Sale"), then one-half of the Sales Payment shall be due to Grantor in accordance with the Sales Conditions. The terms "Sales Payment" and "Sales Conditions" shall have the meanings ascribed to them in the Purchase and Sale Agreement between the Grantor and the Grantee, a copy of which is in the possession of both the Grantor and the Grantee. The provisions of this paragraph shall be a covenant running with the land until Grantee opens the Accel Site Expansion for business for one (1) day.

2. Grantee shall not use the Land for anything other than the Permitted Use without: (i) the prior written consent of Grantor, which may be withheld by Grantor in its reasonable discretion, (ii) an express acknowledgment by Grantee of the changes in the SAD Assessments and the CDD Assessments applicable to the Land as a result of the change in the Permitted Use.

Grantor shall have the right to assign its rights under these Restrictive Covenants to an assignee by an assignment recorded in the Public Records of St. Lucie County, Florida (such assignee being the "Assignee"). Upon such assignment, the Assignee shall have all rights of Grantor under these Restrictive Covenants and the Grantor shall no longer have such rights. After assignment of such rights to the Assignee, any waiver or amendment of these Restrictive Covenants shall require the written consent of the Assignee and not the Grantor.
