Good morning, Jasmin,

We are gearing up for the 19th annual St. Lucie Earth Day Festival on Saturday, April 22nd at the Oxbow Eco-Center and I'm reaching out to see if you would be able to help once again and facilitate a sponsorship request with the City Council. Last year the festival was a huge success, we had about 7,000 attendees and based on our feedback survey about 63% were Port St. Lucie residents which is why we like to invite the City of PSL to partner with us on this event. The more partners we have, the more impactful the event is for our community!

We are reaching out to Mayor Martin directly to invite her to participate in the festivities and we have invited several city departments to exhibit such as Utility Systems, P&R, and KPSLB.

This year we are requesting use of the P&R mobile stage and a monetary donation for the event if it is within the city's means. I have already spoken with PSL P&R, and they have already reserved the stage for us.

You were a big help last year in submitting the agenda item for us, I was hoping you could help facilitate that again this year. I'm happy to discuss more details if you like, or if I need to coordinate with someone else, I can do that as well.

Thank you for your assistance with this!

Erin
