

PSLIN PROGRESS

Showing the progress PSL is making.

PSL in Progress is a tool to help residents understand our Capital Improvement projects.

A visual tool highlighting roads, parks, major stormwater, utility and CRA projects in a format that is easy to read, understand and digest.

Goal is to provide information while showing how the projects will improve quality of life for residents and provide clarity on what they can expect in the future.

Will be regularly updated.

Fortify Lauderdale

Fort Size:

Share & Bookmark Feedback A P.

Fortify Lauderdale is a citywide initiative focused on improving resilience to the impacts of climate change within the City's most vulnerable neighborhoods and communities. The program includes an expansion of the first phase of Stormwater Master Plan projects, as well as the acceleration of the second phase of the Master Plan's implementation.

- Phase 1 Neighborhoods
- Phase 2 Neighborhoods
- · View a map of all Fortify Lauderdale neighborhoods

As part of the second phase of the Master Plan's implementation, a Flood Survey has been developed to gather valuable input from residents and collect documentation of neighborhood flooding. The survey was closed on Monday, March 17, 2025.

For immediate assistance or follow-up for flooding issues, please report concerns to FixIt FTL.

Meeting Recordings

Virtual Public Meeting on Phase 2 Neighborhoods on Monday, February 24, 2025:

Welcome to the City of Austin Capital **Projects Explorer**

Project Filters and the Map are available to help you navigate through he many and diverse projects that make up the City of Austin's Capital nprovement Program (CIP). Depending on your screen size, Project Iters and the Map are located either on the left-hand side or rightand sides of your screen, respectively, or, on smaller screens, along the bottom of the screen by selecting Filter or Map.

his site has information for all current projects funded by the Capital Budget, with the exception of projects funded by Austin Energy. The lop, however, shows only those projects that are in construction or at will be in construction within the next 6 months. A capital project onsidered current if it is in one of the following project stages: inticipated, Active, Construction, or Closeout, Definitions for these terms can be found on the Capital Projects Explorer FAQ page.

What is a capital project or program?

Sharing the information

PSL in Progress is a resource for City Council, City staff to share with the public.
