Hi Tracy and Joel,

Thank you for sending! I think this is great and appreciate the time and effort in continuing to build a pro-business environment for business growth and expansion. I wish I was familiar with more items on the list but am only really familiar on the industrial side...anytime we can be the most competitive in both service and fees, it's a win win!! You guys and gals are gonna be really busy, we got a lot coming your way .

I do have one question...on the industrial side, are there fee thresholds for building size? Ie: if a building is over 500,000 or more, is there a tiered fee schedule on square footage?

Regards,
Jill
