POLICY STATEMENT

It is the policy of this Company that disadvantaged businesses, as defined by 49 CFR Part 26, Subpart D and implemented under Rule Chapter 14-78, F.A.C., shall have the opportunity to participate as subcontractors and suppliers on all contracts awarded by the Florida Department of Transportation (FDOT).

The requirements of Rule Chapter 14-78, F.A.C., shall apply to all contracts entered into between FDOT and the Company. Subcontractors and/or suppliers to the Company will also be bound by the requirements of Rule Chapter 14-78 F.A.C. and its subcontractors shall take all necessary and reasonable steps in accordance with Chapter 14-78, F.A.C., to ensure that disadvantaged businesses have the opportunity to compete and perform work contracted with FDOT. The Company and its subcontractors shall not discriminate on the basis of race, color, religion, national origin, disability, sex, or age in the administration of contracts with FDOT. The Company has designated and appointed a Liaison Officer to develop, maintain, and monitor the DBE Affirmative Action Plan Implementation. The Liaison Officer will be responsible for disseminating this policy statement throughout the Company and to disadvantaged controlled businesses. This statement is posted on notice boards of the Company.

I. DESIGNATION OF LIAISON OFFICER

The Company will aggressively recruit disadvantaged businesses as subcontractors and suppliers for all contracts with FDOT. The Company has appointed a Liaison Officer to develop and maintain this Affirmative Action Plan in accordance with the requirements of Rule Chapter 14-78, F.A.C. The Liaison Officer will have primary responsibility for developing, maintaining, and monitoring the Company's utilization of disadvantaged subcontractors in addition to the following specific duties:

- (1) The Liaison Officer shall aggressively solicit bids from disadvantaged business subcontractors for all FDOT contracts;
- (2) The Liaison Officer will submit all records, reports, and documents required by FDOT, and shall maintain such records for a period of not less than three years, or as directed by any specific contractual requirements of FDOT.

The following individual has been designated Liaison Officer with responsibility for implementing the Company's affirmative action program in accordance with the requirements of FDOT.

DBE LIAISON OFFICER:
NAME: Caren Akers
TITLE: Human Resources
EMAIL: cakers@ferreiraconstruction.com
ADDRESS: 13000 SE Flora Ave., Hobe Sound, FL 33455

AFFIRMATIVE ACTION PLAN

The Company shall continue to base decisions on employment so as to further the principles of equal employment opportunity by hiring and employing qualified, reliable, productive employees without regard to race, color, religion, sex, age, national origin, marital status, citizenship, sexual orientation, veteran's status, gender identity or expression, genetic information, status as a victim of domestic violence, status as a victim of stalking or sex offenses, unemployed status, pregnancy, caregiver status, and mental or physical disability. In order to implement this policy, the company has adopted an affirmative action program.

The Company will cooperate with federal, state, or local government agencies that have the responsibility of observing our actual compliance with various laws relating to employment. The Company will furnish such reports, records, and other matters as requested in order to foster the program of equal opportunity for all persons regardless of race, color, religion, sex, age, national origin, marital status, citizenship, sexual orientation, disabled or Vietnam Era veteran status, status as a victim of domestic violence, status as a victim of stalking or sex offenses, unemployed status, pregnancy, caregiver status or physical or mental disability.

The Company has designated Brett Raczynski, Corporate Office, New Jersey, and Caren Aker Hobe Sound Florida Office as its Equal Employment Opportunity Officers (hereinafter "EEO Officers"). The EEO Officers are responsible for coordinating all aspects of the Equal Employment Opportunity process to assure non-discrimination and compliance with all applicable orders and guidelines. Questions and/or complaints concerning equal employment opportunity should be directed to the EEO Officers.

ANTI-DISABILITY DISCRIMINATION AND REASONABLE ACCOMODATION

Title I of the Americans with Disabilities Act (ADA), as amended by the Americans with Disabilities Act Amendment Act of 2008 (ADAAA), as well as any applicable state anti-disability discrimination law prohibits discrimination in any term or condition of employment for qualified individuals with a disability.

The ADA requires that employment decisions be based on the ability of a person to perform the essential functions of a job and not the person's disability or limitations. Further, it requires management to engage in an interactive process with the employee to determine if a reasonable accommodation may be offered to assist the employee in performing the essential functions of his or her job without creating an undue hardship on the Company.

Pregnant employees are entitled to receive a reasonable accommodation unless the requested accommodation would result in an undue hardship to the Company or that the employee seeking the accommodation could not, even if given the requested accommodation, perform her essential job duties. Under the law, reasonable accommodations for pregnant employees may include bathroom breaks, breaks to facilitate increased water intake, periodic rest for those who stand for long periods, assistance with manual labor and leave for a period of disability arising from childbirth.

To comply with the employment provisions of the ADA, an employee should contact one of our EEO Officers in writing to request a reasonable accommodation and to initiate the interactive process. In that instance, the Company will:

- Identify the essential functions of a job.
- determine whether a person with a disability, with or without accommodation, is qualified to perform the duties; and,
- determine whether a reasonable accommodation can be made for a qualified individual, which does not create an undue hardship for the Company.

Employees may submit any complaint regarding an alleged violation of this policy in accordance with the "Complaint Procedure" set forth in this Handbook.

ANTI-HARASSMENT AND ANTI-DISCRIMINATION

Consistent with our policy of equal employment opportunity, harassment in the workplace based on a person's race, sex, religion, national origin, age, marital status, gender identity or expression, genetic information, status as a victim of domestic violence, status as a victim of stalking or sex offenses, unemployed status, caregiver status, pregnancy, disability or any other protected classifications recognized by state and federal law will not be tolerated concerning employees or applicants for employment.

One aspect of our policy requiring some clarification is the prohibition of any form of sexual harassment in the workplace. The following describes the type of conduct that is prohibited as well as the complaint provisions to investigate and remedy any problems that may arise.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature. No employee shall threaten or insinuate, either explicitly or implicitly, that another employee's or applicant's refusal to submit to sexual advances will adversely affect that person's employment, work status evaluation, wages, advancement, assigned duties, or any other condition of employment or career development. Similarly, no employee shall promise, imply, or grant any preferential treatment in connection with another employee or applicant engaging in sexual conduct.

Sexual harassment also includes unwelcome sexual flirtations, advances or propositions, verbal abuse of a sexual nature, subtle pressure or requests for sexual activities, unnecessary touching of an individual, graphic, or verbal commentary about an individual's body, sexually degrading words used to describe an individual, a display of sexually suggestive objects or pictures in the workplace, sexually explicit or offensive jokes, or physical assault.

Any employee who feels that he/she is a victim of sexual harassment, including but not limited to, any of the conduct listed previously, by any supervisor, management official, other employee, customer, client, vendor, or any other person in connection with employment at the Company should bring the matter to the immediate attention of our Corporate EEO Officers. If that would prove to be uncomfortable, an employee may directly contact any other member of management to file a complaint.

Employees should submit such a complaint in accordance with the "Complaint Procedure" set forth in this Handbook. Every effort will be made to promptly investigate all allegations of harassment in as confidential a manner as possible and appropriate corrective action taken if warranted.
