Subject: New Residential Street Lighting Project.

To Whom It May Concern:

We are writing to strongly object to the inclusion of our property (lot #21) in the New Residential Street Lighting Assessment Area.

We have voted against this project and we are still not in favor. This project was undertaken by the "Sable Street" residents. As the locations of the street lights indicate, these residents will be the sole beneficiaries. Why our property, which is off Sable Street, is the only one included in the assessment area? We strongly believe that it is unfair and unjust that we be mandated to pay to lighten up other property owners' front yards.

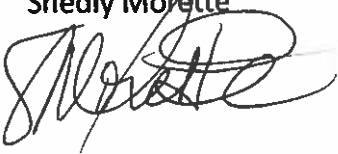

We are kindly requesting that our property (lot #21) be taken off the New Resident Street Lighting Assessment Area.

Very respectfully,

Wilky Morette
