

## MEMORANDUM

TO: Planning and Zoning Board

FROM: Mary Savage Dunham

SUBJECT: Request to Table – Item 2024-851

DATE: November 19, 2024

Esteemed Planning and Zoning Board Members,

Staff is requesting that the Planning and Zoning Board table item 2024-851 Joho Properties, LLC Variance, on the December 3<sup>rd</sup>, 2024, agenda. The reason for this request is to permit further time for internal discussions and intergovernmental coordination between the City and State partners, coordination which was partially delayed due to efforts by critical staff in mitigating the impacts of both Hurricane Helene and Hurricane Milton. Please table this item until the January 7, 2025, meeting.

Thank you
