Re: City of Port St. Lucie Revenue Bonds

Dear Stephen:

The purpose of this letter is to advise you that Bryant Miller Olive P.A. would be pleased to continue to perform as the City of Port St. Lucie, Florida's (the "City") Disclosure Counsel in connection with the issuance of revenue bonds by the City and its agencies (the "Bonds") and extend our contract for another five (5) years.

Our proposed Bond fees are 80% of Bond Counsel's fee with a \$25,000 minimum per issue. If, at any time, we believe that circumstances require an adjustment of our original fee proposed, we will advise the City.

BRYANT MILLER OLIVE P.A.
