RFP - #00218:Police Radar, Lidar Speed Enforcement & Speed Advisory Systems, Parts, and Accessories
Exhibit C - Price Worksheet
Category A - Speed Enforcement Systems

Offerors must provide Unit Prices on all items within a Sub-Category of Category A - Speed Enforcement, in order to offer products in Categories B, C, or D. For example, Offerors must provide pricing on all line items within Subcategory A - Applied Concepts, in order to bid on Category B - Speed Advisory Systems.

All items must conform to the National Highway Traffic Safety Administration Conforming Product List (CPL).

All Prices are to be FOB destination.

Must be returned in MS excel and in original format.

If a Offeror chooses to offer similar additional items (not covered in the Categories provided, but within the scope of the Master Agreement) at a discounted price, list those items (including unit and price,) on the tab titled "Additional Items Offered". These items will not be part of the evaluation but may be added to the authorized items list of the awarded Master Agreement.
