Good afternoon,

To clarify the previously sent email with crime statistics, the information listed in the graph shows crimes that occurred within a ½ mile radius of those gas stations. The gas stations listed are within a ½ mile radius of the Turnpike or I95. In order to provide further clarification, I have requested to get the crime statistics for the crimes that occurred at the gas stations versus the surrounding area.

Thank you,

**Christina Flores**

Subject: FW: REVISED Crime Statics for Gas Stations Near Highways (I-95 & Turnpike)

Good morning,

We received a PRR from a resident and the representative for 7/11 asking for crime statistics for gas stations within ½ mile of the Turnpike and I-95, as well as the 7/11 on St. Lucie West Blvd (which is slightly outside of the ½ mile radius). Due to this information being requested as part of the quasi-judicial agenda item, I wanted to provide it to City Council and make it part of the official record.

Thank you,

**Christina Flores**
