Brandon,

Can you share this request with appropriate staff?

I received the following request for sponsorship from Dr. Walter Campbell of St. Lucie Helping Hands, Inc, a St Lucie County nonprofit focused on homelessness.

“Good morning. I hope this message finds you well. I kindly request your assistance in obtaining sponsorship from the city of Port St Lucie. Currently, I have secured sponsorship from the city of Fort Pierce, who have generously pledged \$500. However, we still have a considerable distance to cover. Your support would be greatly appreciated. Thank you for considering my request.”

I am aware of our policy regarding nonprofit funding being handled by the county and that this specific event may conflict with our own Eggstravaganza.

My request is for someone to reach out to Dr. Campbell about ways we can engage, support, or provide sponsorship/use of logo in the future, particularly concerning initiatives related to our homeless population.

His number is +1 (772) 480-5112
