RE: Proposed Changes to Chapter 150 of the City Code of Ordinances

Good morning Joel,

We have reviewed the information regarding your proposed ordinance changes to Chapter 150 of the City Code and we are in favor of all the proposed updates. In particular the reduced fees and the new procedure for expired permits. Also the creation of a Board of Adjustments and Appeals will be a welcome addition and we look forward to working with you to ensure good candidates are appointed to this board.

We would like to thank you, the staff of all the departments involved for including us in this process. The Board of Directors of the TCBA recognizes their continued efforts to main stream the building permit process.

Sincerely,

Maddie Williams
Executive Director
