## Variance (P25-194)

Planning and Zoning Board – January 6, 2026  
Cody Sisk, Planner III

## Variance Request

- A request for a variance to allow a reduction in the required parking for a recreational use for a medical use for physical therapy office.
- The request is to grant a variance of three parking spaces to Section 158.221 (C) (14) of the Zoning Code.
- Per Section 158.221 (C) (14) of the Zoning Code, one space is required for each two hundred (200) square feet of gross floor area for medical office use.
- The proposed use, Fyzical Medical, will lease two units in Building 2 for a total of 2080 square feet.

## Project Background

- The subject property is a 3.36 acre parcel at the NW corner of NW Stadium Drive and NW Peacock Blvd.
- The property is zoned Service Commercial (CS) and consists of two office/warehouse buildings.
- Building 1 is 15,344 square feet of warehouse space, 3,264 square feet of office space and a total of 17 warehouse bays
- Building 2 is 13,376 square feet of warehouse space, 3,072 square feet of office space, and a total of 16 warehouse bays.

## Project Background

- The site is parked at a ratio of one space per 500 square feet of warehouse space and one space per each 200 square feet of office space for a total of 90 required parking spaces and 96 spaces were constructed.
- It provides for a ratio of one space per each 365 square feet of building space.

## Additional Info.

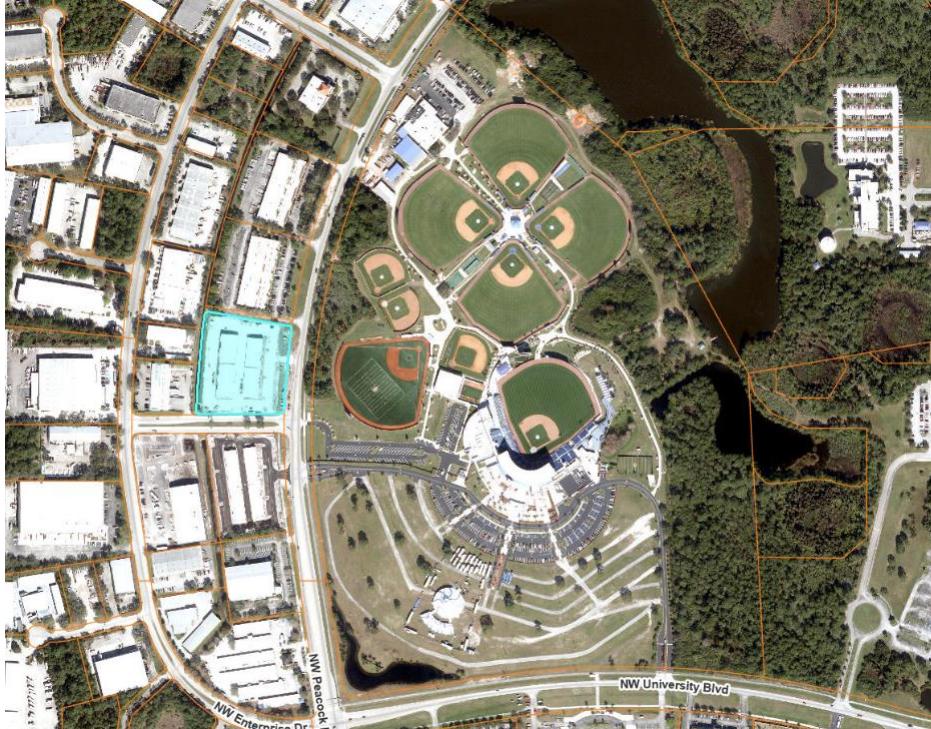

- The property owner has lease agreements with tenants whose uses exceed the amount of parking provided on site.
- There are two other applications for parking variances for the subject property.
  - P25-192 – 500 Stadium Property, LLC, has submitted a request for variance for three parking spaces for a recreational use for a personal fitness studio to operate out of Building 1, Unit 117 (Jump Start Fitness).
  - P25-193 – 500 Stadium Property, LLC, has submitted a request for variance for five parking spaces for a recreational use for a private fitness coach to operate out of Building 1, Units 101 and 102 (Gold Standard).

## Parking Analysis

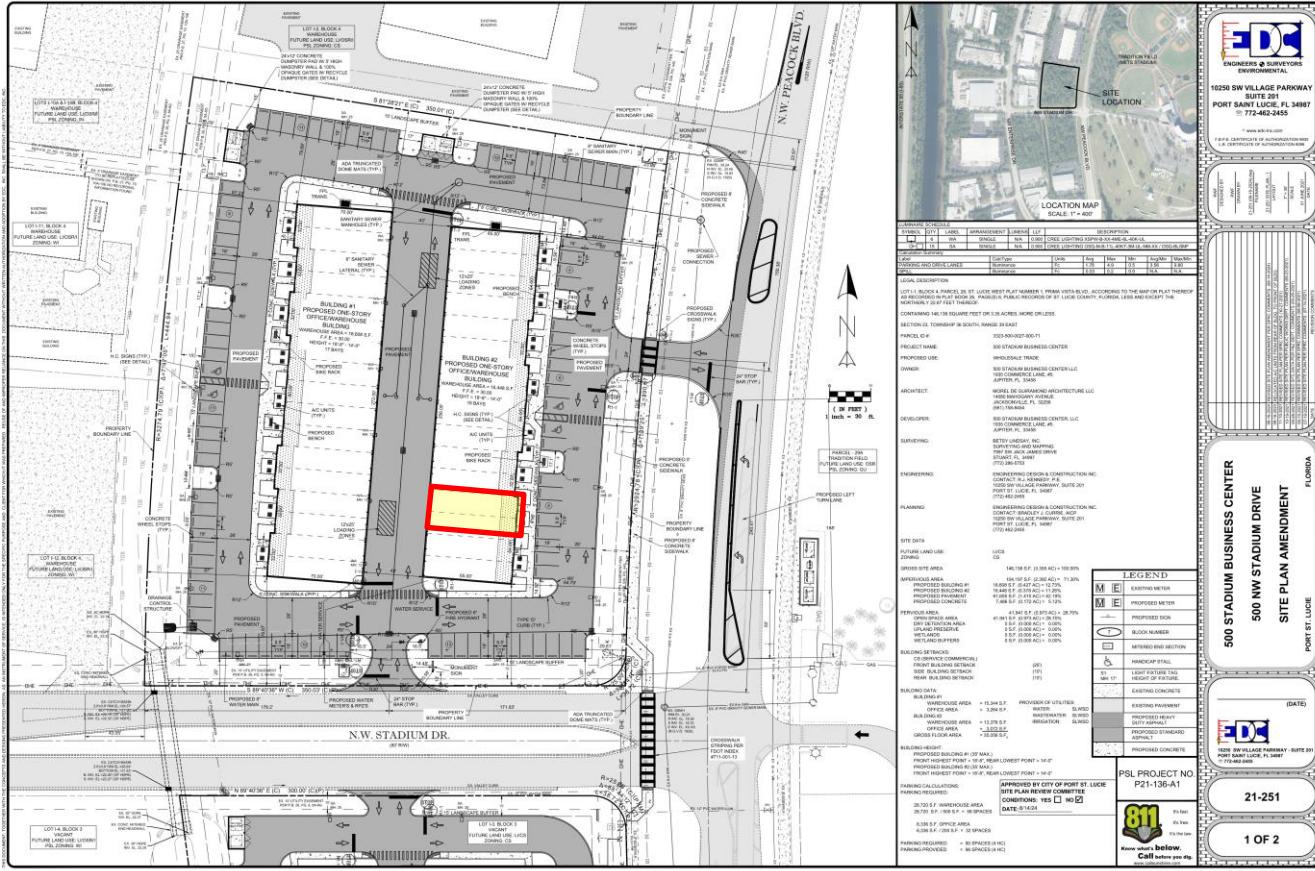

- A parking demand analysis was submitted to support the variance request.
- It includes a shared parking analysis that compares the time of day for the operation of each of the uses based on the ITE Parking Generation Manual, 6<sup>th</sup> Edition.
