SPECIAL EXCEPTION USES

The Planning and Zoning Board, and Zoning Administrator, may authorize the special exception use from the provisions of § 158.260. In order to authorize any special exception use from the terms of this chapter, the Planning and Zoning Board, or Zoning Administrator, will consider the special exception criteria in § 158.260 and consider your responses to the following when making a determination.

(A) Please explain how adequate ingress and egress will be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow, and control, and access in case of fire or other emergency.

Automotive and pedestrian safety and convenience.
Will not be changed in any way as the property already exists
with great flow of traffic. Public safety is very high on our priority list.

(B) Please explain how adequate off-street parking and loading areas will be provided, without creating undue noise, glare, odor or other detrimental effects upon adjoining properties.

The parking lot of Gatin Square is plenty big enough
to handle all parking needs, including deliveries of food and
alcohol using the back parking lot accessible from SW Boulevard
Ave.

(C) Please explain how adequate and properly located utilities will be available or will be reasonably provided to serve the proposed development.

The utilities are already in place at
Gatin Square.

(D) Please explain how additional buffering and screening, beyond that which is required by the code, will be required in order to protect and provide compatibility with adjoining properties.

There will not be a need for additional buffering
or screening.

(E) Please explain how signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.

We will only have the sign above the entry door
stating "Bogey Bay Golf Simulator Bar + Grill"

(F) Please explain how yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.

Gatin Square is already in place
and Bogey Bay does not have any yard or open space
outside.

(G) Please explain how the use, as proposed, will be in conformance with all stated provisions and requirements of the City's Land Development Regulation.

Bogey Bay Will Apply for
states 2 cop liquor license once the build out is within
30 Days of completion for inspection purposes.

(H) Please explain how establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the city.

Bogey Bay Will not impair the residents of PSL in any way.
It will give a new and exciting venue for intertainment for
all residents. Both golfers and non golfers looking for a fun escape

(I) Please explain how the proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.

The number of people will be limited to a max of 6
players per golf simulator. Having only 4 sims the
traffic will be significantly lower than most golf sim business
with 10-15 sims.

(J) Please explain how the use, as proposed for development, will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access, location, light and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.

The adjacent property is in the Gatin Square shopping center
and will not encounter any negative impacts from Bogey Bays
customers only positive impacts due to increased traffic and
happy customers

PLEASE NOTE:

(K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive or intrusive upon the nearby area and would result in excessive disturbance or nuisance from the use altering the character of neighborhood.

(L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including but not limited to reasonable time limit within which the action for which special approval is requested shall be begun or completed or both.

SPECIAL EXCEPTION USE

§ 158.260 REQUIREMENTS AND APPROVAL

Special Exceptions are uses that would only be allowed under certain conditions and are required to be compatible with the existing neighborhood. It is expected that any such approval be implemented in a timely manner to ensure the use is established under the physical conditions of the area in place when approved. Therefore, Special Exception Uses shall expire after one year on the date of approval unless the applicant has received final site plan approval, or if a site plan is not required, the appropriate permits to allow development of the use to continue as approved.

Approval of a special exception application shall be granted by the City Council only upon a finding that:

- (A) Adequate ingress and egress may be obtained to and from the property, with particular reference to automotive and pedestrian safety and convenience, traffic flow, and control, and access in case of fire or other emergency.
- (B) Adequate off-street parking and loading areas may be provided, without creating undue noise, glare, odor or other detrimental effects upon adjoining properties.
- (C) Adequate and properly located utilities are available or may be reasonably provided to serve the proposed development.
- (D) Adequate screening or buffering. Additional buffering beyond that which is required by the code may be required in order to protect and provide compatibility with adjoining properties.
- (E) Signs, if any, and proposed exterior lighting will be so designed and arranged so as to promote traffic safety and to eliminate or minimize any undue glare, incompatibility, or disharmony with adjoining properties. Light shields or other screening devices may be required.
- (F) Yards and open spaces will be adequate to properly serve the proposed development and to ensure compatibility with adjoining properties.
- (G) The use as proposed will be in conformance with all stated provisions and requirements of this chapter.
- (H) Establishment and operation of the proposed use upon the particular property involved will not impair the health, safety, welfare, or convenience of residents and workers in the city.
- (I) The proposed use will not constitute a nuisance or hazard because of the number of persons who will attend or use the facility, or because of the hours of operation, or because of vehicular movement, noise, fume generation, or type of physical activity.
- (J) The use as proposed for development will be compatible with the existing or permitted uses of adjacent property. The proximity or separation and potential impact of the proposed use (including size and height of buildings, access, location, light and noise) on nearby property will be considered in the submittal and analysis of the request. The City may request project design changes or changes to the proposed use to mitigate the impacts upon adjacent properties and the neighborhood.
- (K) As an alternative to reducing the scale and/or magnitude of the project as stipulated in criteria (J) above, the City may deny the request for the proposed use if the use is considered incompatible, too intensive or intrusive upon the nearby area and would result in excessive disturbance or nuisance from the use altering the character of neighborhood.
- (L) Development and operation of the proposed use will be in full compliance with any additional conditions and safeguards which the City Council may prescribe, including but not limited to reasonable time limit within which the action for which special approval is requested shall be begun or completed or both.
