3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Non-procurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which the transaction originated may pursue available remedies, including suspension and/or debarment.

AWARD CONTINUATION

SHEET

Grant

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions (<https://www.ojp.gov/funding/explore/legal-notices>), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurance or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

1.

Failure to comply with any one or more of these award requirements—whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period—may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2024 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2024 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2024 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

2.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain – typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies – and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Compliance with DOJ Grants Financial Guide

3. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title

4. 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

Requirements related to "de minimis indirect cost rate

5. A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.
- Requirement to report potentially duplicative funding

6. If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate), in writing of the potential duplication, and, if so requested by the DOJ awarding agency and/or OAG, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.
- Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

7. The recipient also must comply with applicable restrictions on subawards ("subgrants) to first-tier subrecipients (first-tier "subgrantees), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by the reference here.

Effect of failure to address audit issues

18. The recipient understands and agrees that the DOJ award agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.
Potential imposition of additional requirements

19. The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the performance of this award, if the recipient is designated as "high-risk for purposes of the DOJ high-risk grantee list."
Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

20. The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.
Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

21. The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."
Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

22. Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current data."

Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awards by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law).

23. Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Compliance with general appropriations-law restrictions on the use of federal funds (FY 2024). The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at

24. <https://ojp.gov/funding/Explore/FY20AppropriationsRestrictions.htm>, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award— (1) submitted a claim that violates the False Claim Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

25. Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by—(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW. Washington, DC 20530: and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG web site at <https://oig.justice.gov/hotline>.

Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which related to classified information), Form 4414 (which related to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient—

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

26. b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants), procurement contracts, or both—

a. it represents that—

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

27. The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

Encouragement of policies to ban text messaging while driving

28. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Message While Driving, 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

Requirements to disclose whether recipient is designated "high risk by a federal grant-making agency outside of DOJ

29. If the recipient is designated "high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

30. The Victims of Crime Act (VOCA) of 1984 states that VOCA funds are available during the federal fiscal year in which the award was actually made, plus the following three fiscal years. At the end of this period, VOCA funds will be deobligated. OJP has no discretion to permit extensions beyond the statutory period (E.g., VOCA funds awarded in FY 2021, are available until the end of FY 2024).

Discrimination Findings

31. The recipient assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against a recipient of victim assistance formula funds under this award, the recipient will forward a copy of the findings to the Office for Civil Rights of OJP.

VOCA Requirements

The recipient assures that the State and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. Specifically, the State certifies that funds under this award will:

32. a) be awarded only to eligible victim assistance organizations, 34 U.S.C. 20103(a)(2);
b) not be used to supplant State and local public funds that would otherwise be available for crime victim assistance, 34 U.S.C. 20103(a)(2); and
c) be allocated in accordance with program guidelines or regulations implementing 34 U.S.C. 20103(a)(2)(A) and 34 U.S.C. 20103(a)(2)(B) to, at a minimum, assist victims in the following categories: sexual assault, child abuse, domestic violence, and underserved victims of violent crimes as identified by the State.
33. The recipient authorizes the Office for Victim of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, papers, or documents related to this grant.

The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to (1) an award of less than \$25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

35. The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM), to the designated federal integrity and performance system (currently, "FAPIIS).

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS) within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

Statement of Need

- 1) Briefly describe the need for services to victims of crime that will be addressed using VOCA funding. If needed, define the deficiency of services to victims.
The Victims' Assistance Unit (VAU), operating within the Criminal Investigations Division (CID) of the Port St. Lucie Police Department, is the city's sole provider of crisis response services for crime victims. VAU works in close coordination with detectives and patrol officers to ensure immediate, compassionate support for victims of violent crimes, including Homicide, Traffic Homicide, Armed Robbery, and other serious offenses.

VAU advocates are available daily to assist victims who seek help in person, ensuring that every crime victim within PSL has access to essential support services.

*Continued VOCA funding is essential to sustain vital services, ensuring victims receive immediate, professional assistance, advocates provide emotional support, resources, and guidance, and walk-in services remain accessible to all residents. Without this funding, the ability to offer consistent, high-quality support to crime victims would be greatly reduced. **
- 2) Provide information about crime statistics for the service area that will be served with VOCA funding. For example, if the applicant agency only serves particular cities or counties in the requested judicial circuit, statistics related only to the specific city or county must be provided. Specifically, detail the statistics related to the need described in #1.
*In 2023, the Port St. Lucie Police Department reported a total of 2,081 (including Rape: 23) crimes on the Uniform Crime Report (UCR), with the following breakdown impacting victims eligible for Victims of Crime Act (VOCA) grants: Murder (5), Robbery (33), Aggravated Assault (182), Burglary (163), Larceny (1,553), Motor Vehicle Theft (122). **
- 3) Provide demographic information **about the population of the service area requested in the application**. For example, if the applicant agency only serves particular cities in the requested judicial circuit, demographic information related only to the city must be provided. At a minimum, provide information about gender, race, or national origin and age for the service area.
As of the 2023 U.S Census, Port St. Lucie, Florida, had a population of 245,021, reflecting a substantial increase from 204,521 in 2020.

*The demographic composition of the city per the U.S. Census as of 7/1/23 was as follows:
 White (51.8%), Black (19.2%), Hispanic or Latino (23%), Other (6%). **
- 4) Provide demographic information **about the population to be served through the proposed VOCA project**. If the applicant agency is a current VOCA subgrantee, utilize the information included in the 4 most recently submitted Quarterly Performance Reports. If the applicant agency is a new applicant agency provide demographic information collected on crime victims served.
*Anticipated demographics to be served in the city (based on City of Port St. Lucie FY 23/24 data):
 Gender: Male (46.7%), Female (53.3%)
 Race: White (77.5%), Black (18.9%), Other (Unknown) (3.6%)
 Age Breakdown: 0 - 12 yrs (1%), 13 - 17 (3%), 18 - 24, (9.5%), 25 - 59 (61.6%) 60 + (24.9%)*

*Note, in the Officers reports, the race section typically lists White or Black only. It does not go into specifics of Hispanic, Asian, etc. **

Project Proposal

- 1) Describe which services will be provided to the crime victims described in the statement of need. Summarize which services will be provided by each proposed VOCA funded personnel position or contractor. Specifically, indicate how the proposed expenses in each budget category (Personnel, Contractual, Equipment, Operating, Training) are associated with the provision of services to crime victims. The response should not include match sources. **The information in this response must correlate to the personnel positions in the approved 2024-2025 VOCA budget. If the information does not correlate with the personnel positions in the approved 2024-2025 VOCA budget, the application will not move forward in the process.**
- The VAU work alongside the detectives and patrol officers to ensure that immediate services are available to crime victims within the city. The VAU provides crisis counseling to victims of homicide/DUI or other crimes against a person when the need is identified by responding officers/detectives and/or requested by the victim. During crisis counseling, advocates provide appropriate resource information and referrals. For elderly victims of criminal mischief, vandalism or burglary, we assist with applying for victim compensation for property loss benefits. Identity theft/fraud victims are contacted and provided with the resource information on monitoring their credit and protecting themselves from future victimization. Domestic violence victims are provided information about the criminal justice process, safety planning, resource information such as SafeSpace (the local DV shelter) as well as information about Injunctions and accompaniment to injunction hearings upon request. **
