Subject: Re: Premier home pros

Latest up date: 3/4/2025

I spoke with Matthew (sales Manager) and explained that this whole process has made us feel insecure and that I want to cancel the job for a refund. He told me that he will have to send this request over to the cancelation department in Ohio because it is above his pay grade. I will be waiting for a response from them, although he did say this is going to be difficult. Judy Haese
