Name of Agenda Item:

Trash pickup

Agenda Item Number (#):

1

Check if:

Undecided

Comments:

The trash in my neighborhood hasn't been picked up for 2 and half weeks. This is a problem because we already have a problem with rats , and now it's getting worse. This is disgraceful. Now you take our money for a service And we are not getting what we are paying for. I insist you drop the trash pick up fees out of our taxes this year Since you are not providing service. My neighborhood is looking like a third world country with the trash piling up in front of our home. Shame on you city council you should all step down as you are a failure.

Thank you,
Port St. Lucie
