## SECTION I – GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS

### 1. GENERAL INFORMATION

These documents constitute the complete set of specification requirements, scope of work, and bid forms. The Bid Response Form and all attachments must be executed and submitted in a sealed envelope. **Bids not submitted on the enclosed Bid Response Form shall be rejected.**

By submitting a bid, the Bidder agrees to be subject to all terms and conditions specified herein. The inclusion of different or conflicting terms in any Bid submission may be reviewed by FPUA. In the event of any conflict between the terms and conditions contained herein and those in any Bid submission, or the final contract between FPUA and the awarded entity (if any), the following order of preference shall apply: the terms of the Contract shall take precedence and control, followed by the terms contained herein, and then the terms and conditions in the Bid submission, purchase order, ordering document or other form provided by the awarded entity. SUBMITTAL OF A BID IN RESPONSE TO THIS INVITATION TO BID CONSTITUTES AN OFFER BY THE BIDDER. Bids which do not comply with the requirements may be rejected at the option of FPUA.

**Any bids received after the designated time and date may be returned unopened.**

### 2. ADDENDUM

Should revisions to the Bid Documents become necessary, FPUA will post any addendum(s) to DemandStar, and will provide a written addendum to all Bidders who received a bid package from FPUA's Department of Finance. Bidders who obtain Bid Documents from other sources must officially register with FPUA's Department of Finance in order to be placed on the mailing list for any forthcoming addendum or their official communications. Failure to register as a prospective Bidder may cause their bid to be rejected as non-responsive if they have failed to submit a bid without an addendum acknowledgment for the most current addendum.

To register, please email [PurchasingManager@fpu.com](mailto:PurchasingManager@fpu.com) with the contact's name, email address (if not the person sending), telephone number, full company name and mailing address. Please reference the Bid No. for which you are registering.

Previous addenda are deemed received when a subsequent addendum is acknowledged. It is the Bidder's responsibility to contact FPUA in the event that a previous addendum is not received. Latest addendum shall be signed and returned with the bid as acknowledgment of addendum.

### 3. DELAYS

FPUA, at its sole discretion, may delay the scheduled due dates if it is to the advantage of FPUA to do so. FPUA will notify bidders of all changes in scheduled due dates by written addendum.

### 4. REGISTRATION WITH THE FLORIDA DEPARTMENT OF STATE

In accordance with Florida Statute 607.0505, each corporation, foreign corporation, or alien business organization that transacts business in this state shall have and continuously maintain in this state a registered office and a registered agent and shall file with the Department of State. The awarded Bidder shall be registered with the Florida Department of State, Division of Corporations.

### 5. NO BID

If not submitting a bid, please respond by returning only the Bidder Acknowledgment form, marking it "No Bid," and give the reason in the space provided.

### 6. BID OPENING

The bid opening shall be public, at the address, date, and time specified on the "Invitation to Bid and Bidder Acknowledgment" cover sheet. The bid time shall be scrupulously observed. **Bids delivered after the time specified may be returned unopened.** The time/date stamp clock located in Customer Service, or written date, time and initial of FPUA staff, shall serve as the official authority to determine lateness of any bid. It is the Bidder's sole responsibility to assure that his/her bid is complete and delivered at the proper time and place indicated in the bid document. **Offers by e-mail, facsimile, or telephone are not acceptable. A bid may NOT be altered by the Bidder after opening of the bids.** Bid tabulations will be furnished on the web site: <http://www.fpu.com>.

### 7. TAXES

FPUA is exempt from Federal Excise and State and local sales and use taxes on direct purchases of tangible personal property. The FPUA exemption number is on the face of all Purchase Orders. If requested, the Purchasing Manager will provide an exemption certificate to the awarded Bidder. Vendors or contractors doing business with FPUA shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with FPUA. This exemption does not apply to purchases of tangible personal property in the performance of contracts for FPUA.

### 8. DISCOUNTS

Cash discounts for prompt payment shall not be considered in determining the lowest net cost for bid evaluation purposes.

## 9. PRICING

All Bid prices must remain firm through the end of the initial contract period as indicated by Section 9 of any attached DRAFT contract. If a contract is not required, all Bid prices must remain firm for 90 days from the Bid Opening in the event of a single purchase, and for 1 year from Bid Opening in the event of an annual Blanket Purchase Order.

## 10. QUANTITIES

The quantity reflected on the Bid Response form is a good faith estimate based on previous and/or anticipated usage. FPUA reserves the right to purchase more or less than that quantity estimated to conform to the actual need.

## 11. MISTAKES

Bidders are expected to examine the specifications and scope of work, delivery requirements, bid prices, extensions and all instructions pertaining to the Bid. **FAILURE TO DO SO WILL BE AT THE BIDDER'S RISK.** Written-out amounts shall take precedence over numerical amounts. In the event of addition error(s), the unit price and extension thereof will prevail and the Bidder's total offer will be corrected accordingly. Changes to Bids must be initialed in ink by the Bidder.

## 12. AWARD

As the best interest of FPUA may require, the right is reserved to make award(s) by individual item, group of items, "All or None", or a combination thereof; with one or more suppliers; to reject any or all bids, or waive any minor irregularity or technicality in bids received, and may, at its sole discretion, request a rebid. Bidders are cautioned to make no assumption until FPUA has entered into a contract or issued a Purchase Order.

## 13. DELIVERY

Unless actual date is specified (or if specified delivery cannot be met), show the number of days required to make delivery after receipt of Purchase Order in space provided on the Invitation to Bid and Bidder Acknowledgment and on the Bid Response Form. Delivery time may be a basis for making of award. Delivery shall be during the normal working hours of the user department, Monday through Friday, unless otherwise specified and incorporated into the specifications and scope of work, the contract, or the Purchase Order document. Delivery shall be to the location specified in the bid specifications and scope of work.

## 14. CONTRACTUAL AGREEMENT AND/OR PURCHASE ORDER

Upon award, the successful Proposer shall sign a contract with FPUA. One or more purchase orders will be issued to the successful Proposer according to the term specified within Section IV.

The terms, conditions, and provisions in this RFP shall be included and incorporated in

any final contract or purchase order. In the event of a conflict between the terms of the final contract or purchase orders(s) issued and any other documents related to this solicitation, the order of precedence shall be: the contract, RFP documents issued by FPUA, the awarded Proposer's submission, and purchase order(s) issued, and general law. Any and all legal action necessary to enforce a contract or purchase order will be interpreted according to Florida law without reference to any conflict of laws principals. Venue for any action related to this solicitation and the contract or purchase order(s) issued shall be in the State or Federal Courts located in Fort Pierce, Florida.

#### **15. NO ADDITIONAL TERMS AND CONDITIONS**

No additional terms and conditions included with the bid response shall be evaluated or considered. Any and all such additional terms and conditions shall have no force and effect, and are inapplicable to this bid if submitted either purposely through intent or design, or inadvertently appearing separately in transmittal letters, specifications and scope of work, literature, price lists or warranties. It is understood and agreed that the general and/or any special conditions in these Bid Documents are the only conditions applicable to this bid and the Bidder's authorized signature on the Bid Response Form attests to this.

#### **16. INTERPRETATION OF INVITATION TO BID**

All Bidders shall carefully examine the Bid Documents. Any ambiguities or inconsistencies shall be brought to the attention of FPUA in writing prior to the opening of Bids; failure to do so, on the part of the Bidder, will constitute an acceptance by the Bidder of any subsequent decision. Any questions concerning the intent, meaning, and interpretation of the Bid Documents shall be requested in writing, and received by FPUA at least seven (7) days prior to the Bid Opening. Inquiries shall be made in accordance with Section IV – Special Terms and Conditions and Additional Instructions to Bidders. No person is authorized to give oral interpretations of, or make oral changes to, the bid. Therefore, oral statements given before the bid opening will not be binding. Any interpretation of or changes to the bid will be made in the form of a written addendum to the bid and will be furnished to all Bidders. Receipt of all addenda shall be acknowledged by the Bidders by signing and enclosing said addenda with their bid.

FPUA will record its responses to inquiries and any supplemental instructions in the form of a written addendum. FPUA will post any addendum(s) to DemandStar and will send a written addendum to all Bidders who requested a bid directly from the FPUA Department of Finance. All Bidders should contact FPUA at least seven (7) calendar days before the bid opening date to ascertain whether any addendums have been issued. Failure to do so could result in rejection of the bid as unresponsive. FPUA shall not be responsible for providing said addendum to Bidders who receive bid packages from other sources unless Bidder has registered with FPUA in accordance with Section 2.

## **17. INVOICING AND PAYMENT**

Payment for any and all invoice(s) that may arise as a result of a contract or Purchase Order issued pursuant to this Invitation to Bid shall minimally meet the following conditions to be considered as a valid payment request:

- a. A timely submission of a properly certified invoice(s), in strict accordance with the price(s) and delivery elements as stipulated in the contract or Purchase Order document, and to be submitted to the Department of Finance at the address as stipulated on the Purchase Order, Fort Pierce Utilities Authority, ATT: Accounts Payable, PO Box 3191, Fort Pierce, Florida 34948-3191 or send to [AP@FPUA.com](mailto:AP@FPUA.com).

FPUA will accept partial deliveries unless otherwise specified in the contract or Purchase Order document.
- c. Contractor shall be paid by FPUA in the following manner: (weekly, monthly, per job, per delivery, etc.) and in accordance with the Local Government Prompt Payment Act, sections 218.70-79, Florida Statutes. The calculations shall begin using the date the invoice was received.

## **18. ASSIGNMENT**

Any Purchase Order or contract issued pursuant to this Invitation to Bid and the monies which may become due hereunder are not assignable except with the prior written approval of FPUA, through the Department of Finance.

## **19. INSURANCE**

The awarded Bidder(s) shall maintain insurance coverage and provide Certificate(s) of Insurance reflecting the minimum amounts and conditions specified in Section III – Required Limits of Insurance, and/or Section IV – Special Terms and Conditions and Additional Instructions to Bidders. In the event the Bidder is a governmental entity or a self-insured organization, different requirements may apply. Misrepresentation of any material fact, whether intentional or not, regarding the Bidder’s insurance coverage, policies or capabilities may be grounds for rejection of the bid and rescission of any ensuing contract.

## **20. CONFLICT OF INTEREST**

All bidders must disclose with their bid the name of any officer, director, or agent who is also an employee of FPUA. All Bidders must disclose the name of any FPUA employee who owns, directly or indirectly, an interest of five percent (5%) or more in the Bidder’s firm or any of its branches.

## **21. LEGAL REQUIREMENTS**

Bidders are required to comply with all provisions of Federal, State, County and local laws and ordinances, rules and regulations, that are applicable to the items being bid. Lack of knowledge by the bidder shall in no way be a cause for relief from responsibility, or constitute a cognizable defense against the legal effect thereof.

## **22. BIDDER'S REPRESENTATION**

A Bidder must have at the time of bid opening, a manufacturing plant in operation, or be a fully authorized agent or representative of the product bid, and capable of producing or providing the items bid, and so certifies by submission of this Bid.

## **23. BIDDER'S SITE INSPECTION**

FPUA reserves the right to inspect the Bidder's facilities prior to award and at any reasonable time during the contract period, during normal working hours, with prior notice to determine that Bidder has a bona fide place of business, and is a responsible Bidder.

## **24. BUSINESS TAX RECEIPT/OCCUPATIONAL LICENSE**

Bidders may be asked to provide a copy of a valid Business Tax Receipt/Occupational License from their jurisdiction with their bid submittal. In addition, building contractors, when required by law, must provide a copy of their Fort Pierce and/or St. Lucie County Certificate of Competency.

## **25. W-9 TAXPAYER IDENTIFICATION NUMBER AND CERTIFICATION FORM**

Bidders are required to return a completed W-9 Taxpayer Identification Form with the Bid Response Form. The complete form, including instructions, is located at:

<http://www.irs.gov/pub/irs-pdf/fw9.pdf>

## **26. DRUG-FREE WORKPLACE (DFW)**

Preference shall be given to businesses with Drug-Free Workplace (DFW) Programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by FPUA for the procurement of commodities or contractual services, a bid received from a business that completes the attached DFW form certifying that it is a DFW shall be given preference in the award process.

## **27. MINORITY/WOMEN OWNED BUSINESS ENTERPRISE (MWBE)**

Minority/Women Owned Business Enterprise (MWBE) indicates a business entity which is owned and operated by a minority. In this instance, minority group members are citizens of the United States or lawfully admitted permanent residents who are Black, Hispanics, Women, Native Americans, Asian-Pacific, Asian-Indian, and eligible others. An MWBE wishing to participate in FPUA procurement process may contact the Purchasing Manager for information and assistance.

## **28. EEO STATEMENT**

FPUA is committed to equal opportunity in the solicitation and award of bids and contracts, and does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, age or national origin. FPUA complies with all laws related to equal opportunity of employment and non-discrimination. The Contractor agrees that during its performance of the contract it will not discriminate against any employee or applicant for employment based on race, color, religion, sex, sexual orientation, gender identity, age or natural origin.

## **29. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH**

Bidder certifies that all material, equipment, etc., contained in his/her bid meets all applicable O.S.H.A. requirements. Bidder further certifies that, if he/she is the awarded Bidder, and the material, equipment, etc., delivered is subsequently found to be defective in applicable O.S.H.A. requirement in effect on the date of delivery, all costs necessary to comply with the requirements shall be borne by the Bidder. Inability or unwillingness to comply may be cause for withdrawal of a successful award.

## **30. GOVERNMENTAL RESTRICTION**

In the event that any governmental restrictions are imposed which would necessitate alteration of the material quality, workmanship or performance of the items offered on this bid prior to their delivery, it shall be the responsibility of the Bidder to notify the Department of Finance at once, indicating in his/her letter the specific regulation which required an alteration, including any price adjustments occasioned thereby. FPUA reserves the right to accept such alteration or to cancel the contract or Purchase Order at no further expense to FPUA.

## **31. PATENTS AND ROYALTIES**

The Bidder, without exemption, shall indemnify and save harmless, FPUA, its employees and/or any of the FPUA Board from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or item manufactured by the Bidder. Further, if such claim is made or is pending, the Bidder may, at its option and expense, procure for FPUA the right to use, replace or modify the item to render it non-infringing. If none of the alternatives are reasonably available, FPUA agrees to return the article on request to the Bidder and receive reimbursement. If the Bidder used any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood, without exception, that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

### **32. ADVERTISING**

In submitting a bid, Bidder agrees not to use the results thereof as a part of any commercial advertising, without the express written approval, by the appropriate level of authority within FPUA.

### **33. DISQUALIFICATION OF BIDDER**

More than one bid from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that a Bidder is involved in more than one bid submittal will be cause for rejection of all bids in which such Bidders are believed to be involved. Any or all bids may be rejected if there is reason to believe that collusion exists between Bidder's bids in which the prices obviously are unbalanced.

### **34. NO ADJUSTMENTS/CHANGES/DEVIATIONS**

No adjustments, changes or deviations shall be accepted on any item unless the conditions, specifications and scope of work of this bid expressly so provide. Any other adjustments, changes or deviations shall require prior written approval, and shall be binding ONLY if issued by FPUA's Department of Finance. The Bidder shall bear sole responsibility for any and all costs of claims arising from any adjustments, changes or deviations not properly executed as required herein.

### **35. DISPUTES**

Any Bidder who disputes the bid selection or contract award recommendation shall file such dispute according to the bid protest procedures. These procedures are available upon request from FPUA.

### **36. PUBLIC RECORDS**

Upon award recommendation or ten days after opening, bids become "public records" and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Bidders who do not wish information they provide to become public record, must invoke the exemptions to disclosure provided by law in the response to the Bid, must identify the data or other materials to be protected, and must state the reasons why such exclusion from public disclosure is necessary.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT PUBLICRECORDS@FPUA.COM, (772) 466-1600, OR PO BOX 3191, FORT PIERCE, FL 34948-3191.

To the extent the Contract includes providing services and acting on behalf of a FPUA as provided under section 119.011(2), Florida Statutes, the Contractor agrees to comply with Florida Public Records Law, Chapter 119, Florida Statutes, and shall:

- 1) Keep and maintain public records required by FPUA to perform the service;
- 2) Upon request from FPUA's custodian of public records, provide FPUA with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 or as otherwise provided by law;
- 3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to FPUA;
- 4) Upon completion of the Contract, transfer, at no cost to FPUA, all public records in possession of the company or keep and maintain public records required by FPUA to perform the service. If all public records are transferred to FPUA upon completion of the contract Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor maintains public records upon completion of the contract, it shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to FPUA upon request in a format compatible with FPUA's information technology systems.

### **37. TRADE SECRET AND CONFIDENTIAL MATERIAL**

In accordance with Florida Statutes, including section 119.01 (Public Records) and 815.045 (Trade Secret Information), if Contractor considers any information related to its bid, proposal, or the services to be provided to FPUA, to be a trade secret or confidential material under Florida or federal law(s), Contractor shall designate such portions of the material by clearly marking it CONFIDENTIAL or TRADE SECRET when it is submitted to FPUA (hereinafter Confidential Material). If FPUA receives a public records request for the Confidential Material FPUA will provide only the materials not designated confidential or trade secret. If the requester of the information asserts a right to examine the Confidential Material FPUA will notify Contractor, and Contractor shall be responsible for responding to and resolving any claims for access to the Confidential Material. If FPUA is served with a request for discovery or order related to the Confidential Material, FPUA will promptly notify Contractor, and Contractor shall be responsible for filing the appropriate motion or objection to protect its Confidential Material from disclosure.

FPUA will provide the Confidential Material only if the Contractor fails to take appropriate action to protect the Confidential Material from disclosure within the timeframe(s) established by the applicable statute, rule or order. The Contractor shall protect, defend, and indemnify FPUA against all claims, costs, fines, and attorney's fees arising from or relating to its designation of material as Confidential Material.

### **38. BID PREPARATION COSTS**

Neither FPUA nor its representatives shall be liable for any expenses incurred in connection with preparation of a response to this Invitation to Bid. Bidders should prepare their bids simply and economically, providing all information and prices as required.

### **39. COOPERATIVE PURCHASING**

Any governmental purchasing authority may participate in this purchase for services and commodities from this successful award.

### **40. PUBLIC ENTITY CRIMES**

No award will be executed with any person or affiliate identified on the Florida State Department of Management Services “convicted vendor” list. This list is defined as consisting of persons and affiliates who are disqualified from public contracting and purchasing process because they have been found guilty of a public entity crime. No public entity shall award any contract to, or transact any business in excess of the threshold amount provided in Section 287.017, Florida Statutes for Category Two (currently \$35,000) with any person or affiliate on the “convicted vendor” list for a period of thirty-six (36) months from the date that person or affiliate was placed on the “convicted vendor” list unless that person or affiliate has been removed from the list pursuant to Section 287.133(3) (f) Florida Statutes.

### **41. DISCRIMINATORY VENDORS & SCRUTINIZED COMPANIES LISTS**

**Discriminatory Vendors List.** Pursuant to Section 287.134 , Florida Statutes, an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

**Scrutinized Companies Lists.** Pursuant to Section 287.135, Florida Statutes, a company is ineligible and may not bid on, submit a proposal, or enter into or renew a contract with an agency or local governmental entity, and FPUA is prohibited from contracting or renewing contracts for goods or services: (1) for any amount with a company that is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, or is engaged in a boycott of Israel; (2) for \$1,000,000 or more with a company that is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Section List, created pursuant to Section 215.473; or (3) is engaged in business operations in Cuba or Syria.

If a Contractor subcontracts any of the labor or services for FPUA, the subcontractor must provide the Contractor with an affidavit stating that it does not employ, contract or subcontract with any person not authorized to work in the united states. The contractor must keep a copy of the affidavit on file for the duration of the contract. If FPUA or any Contractor or subcontractor has a good faith belief that a person or entity with which it is contracting has knowingly employed, hired, or recruited an unauthorized alien for public or private employment, it must terminate the contract with that person or entity. Pursuant to 448.095 a contract terminated under this provision is not a breach of contract.

**ANY AND ALL SPECIAL TERMS AND CONDITIONS, ADDITIONAL INSTRUCTIONS, SPECIFICATIONS AND SCOPE OF WORK ATTACHED HERETO WHICH VARY FROM THESE GENERAL CONDITIONS SHALL HAVE PRECEDENCE.**

## **SECTION II – SPECIAL TERMS AND CONDITIONS – LOCAL VENDOR PREFERENCE**

### **1. DEFINITION**

“Local Business” shall mean a business which meets the following criteria:

**1.1** Has had a fixed office or distribution point located in and having a street address within St. Lucie, Indian River, Martin or Okeechobee County for at least six (6) months immediately prior to the issuance of the request for competitive bids by Fort Pierce Utilities Authority (FPUA). The fixed office or distribution point must be staffed and have a valid business tax receipt(s) issued by the appropriate municipality and/or county at least six (6) months prior to bid. Post office boxes are not verifiable and shall not be used for the purpose of establishing physical address; and

**1.2** Holds any contractor’s Certificate(s) of Competency, as required by the City of Fort Pierce and/or St. Lucie County; and

**1.3** Is the principal offeror who is a single offeror; a business which is the prime contractor and not a subcontractor; or a partner or joint venture submitting an offer in conjunction with other business(s).

### **2. CERTIFICATION**

Any vendor claiming to be a local business as defined by Section 1 above shall so certify in writing to the FPUA Department of Finance by completing and including the Certification Statement-Local Vendor Preference form with the Bid submission; see SECTION VI-FORMS. The certification shall provide all necessary information to meet the requirements of Section 1 above. The Department of Finance shall not be required to verify the accuracy of any such certifications, and shall have the sole discretion to determine if a vendor meets the definition of a “local business.”

### **3. NON-LOCAL BUSINESS**

“Non-local business” means a bidder which is not a local business.

**3.1** Preference in purchase of commodities and services by means of competitive bid. Under any such applicable solicitation, bidders desiring to receive local preference will be invited and required to affirmatively state and provide documentation as set forth in the solicitation in support of their status as local business. Any bidder who fails to submit sufficient documentation with their bid offer shall not be granted local preference consideration for the purposes of that specific contract award. Except where federal or state law, or any other funding source, mandates to the contrary, FPUA will give preference to local businesses as outlined below in Section 4.

#### **4. COMPETITIVE BID (SECOND CHANCE OFFER)**

**4.1** Each formal competitive bid solicitation (i.e., sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined. A **Second Chance Offer** will be offered to the lowest bidders if the non-local and the lowest local bidder(s) are within 5% of the lowest total price by a non-local bidder. Each of those bidders will be given the opportunity to resubmit a “second chance” bid price. Once the bids have been received by the Department of Finance, a recommendation for award will be made with the new bid prices. If the local bidder does not resubmit a “second chance” bid price, declines, or is not the lowest bid price, then award will be made to the lowest overall qualified and responsive bidder. If **ALL** bids made by “second chance” bidders are higher than the original low bid, then award will be made to the original low overall qualified and responsive responsible bidder.

**4.2** In the event a bidder is awarded a contract pursuant to this section, all requests for change orders must be approved by the FPUA Board.

#### **5. CONSTRUCTION PROJECTS**

**5.2 OPTION 2: NON-LOCAL CONTRACTORS** that employ more than 30% minority employees and a minimum of 60% employees whose primary residence is within the boundaries of St. Lucie County would qualify as a “Local Business”.

#### **6. NOTICE**

Bid documents shall include notice to vendors of the local preference policy.

#### **7. WAIVER OF APPLICATION OF LOCAL PREFERENCE**

The application of Local Preference to a particular purchase or contract for which FPUA is the awarding authority may be waived upon approval of the FPUA Board.

#### **8. COMPARISON OF QUALIFICATIONS**

The preference established herein in no way prohibits the right of the FPUA Board to compare quality of materials proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids. Further, the preferences established herein in no way prohibit the right of the FPUA Board from giving any further preference permitted by law in addition to or instead of the preference granted herein.

## **9. RECIPROCITY**

In the event any other Florida county or municipality ("local government") deemed appropriate by FPUA extends preferences to local businesses, FPUA may enter into an interlocal agreement with such local government wherein the preferences of this section may be extended and made available to vendors that have a valid business tax receipt issued by the specific local government to do business in that local government that authorizes the vendor to provide the commodities and services to be purchased, and a physical business address located within the limits of that local government. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address. Vendors must also be authorized to do business in the City of Fort Pierce and St. Lucie County. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid to be eligible for consideration as a "local business" under this section. In no event shall the amount of the preference accorded other local government firms exceed the amount of preference that such local government extends to City of Fort Pierce firms competing for its contracts.
