Additional Specifications	The City uses Econolite Products. The surrounding municipalities and FDOT currently are using the Econolite equipment and upon implementation, would allow the City of Port St. Lucie signals to communicate with the surrounding municipalities and FDOT signals for more effective coordination. The functionality of the signal controllers also allows for adaptive coordination without additional hardware. Additionally, the existing cabinets can be utilized without modification with hardware being installed. This is the Sole Source notice as required by Florida Statute 287.057(3) and must be posted for 7 days prior to award.
Insurance and Additional Requirements	Vendor is required to submit certificates of insurance for public liability, property damages, auto liability, and worker's compensation naming the City as additionally insured, prior to commencement of work. Vendor is required to submit all relative licenses with quote submittal. Insurance requirements are listed on the City's web page at www.cityofpsl.com under Procurement Management Department.
Terms and Conditions	The City of Port St. Lucie is not obligated to any award or payment without a Purchase Order number or a Credit Card Number. No receipt or invoice will be paid without a Purchase Order Number or Credit Card Number on the receipt or invoice. Proposer agrees to terms and conditions as per the City of Port St. Lucie Purchase Order terms and conditions that is available on the City's Web site at www.cityofpsl.com .
