Expect More. Experience Better.

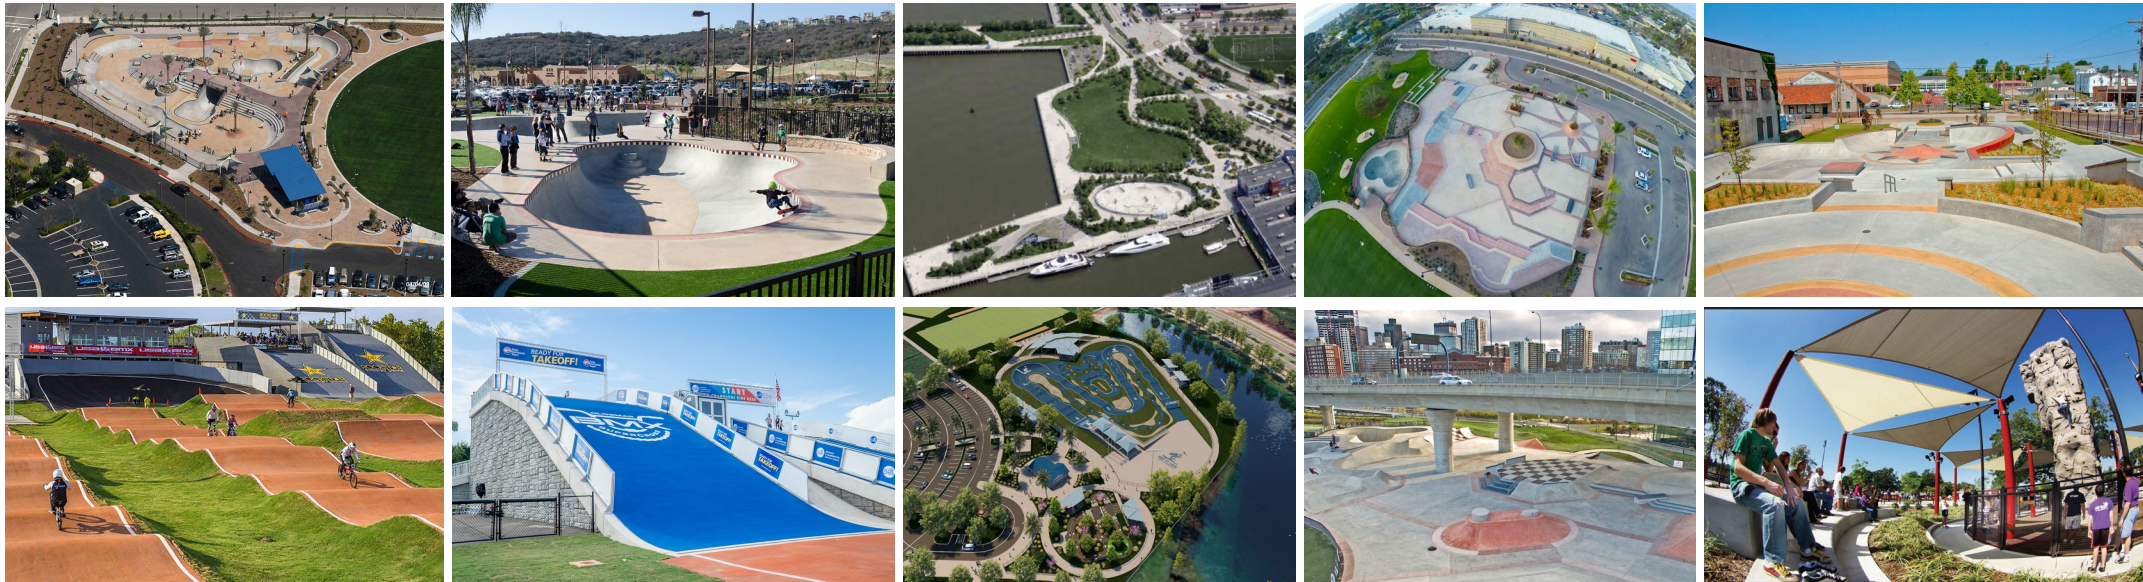

ACTION SPORTS DESIGN LLC (ASD) the specialty all wheel park design firm is renowned worldwide for their integration of action sport related parks from skate parks, bike parks and adventure parks. ASD is working in collaboration with Kimley Horn on the Torino Park Skate Park design to become a true destination all wheel park, driven by community input, vision and identity.

Mike McIntyre, PLA, ASLA, Founder | Principal of ASD is leading the Torino All Wheel Park in addition, the Tradition Regional BMX park project for the city. Mike comes with over 300 implemented public action sport related parks over the past 25 years in practice. Mike is also an avid BMX racer on the National Circuit in the Expert Class and raced for Team USA in 2018 and has a long-standing previous career as a sponsored skateboarder.
