Dear Jasmine,

Thank you for our conversation today.

As we spoke this morning The PSL Crosstown Running Club would appreciate the City promoting our upcoming Shamrock 5k by using all avenues available.

We are organizing our race that will be held on March 18th ,2023 called the PSL Crosstown Shamrock 5k.

The proceeds from this race will be shared amongst three local charities. The Hands clinic of Saint Lucie County who provides medical care for the uninsured and underinsured, Pan American Round Table who provides scholarships for low income high school students about to enter college, and SafeSpace an organization that assists adults and children, victims of domestic violence.

Your help will be appreciated in all medias available to you.

Best regards,

Karla Aviles Andrako

Race Director

PSL Crosstown Running Club
