CHRISTIAN ACADEMY

# **Public Art Display Proposal 2021**

---

# Mission

---

- ❖ **Many families with young children move to Port St. Lucie from across our country each year.**
- ❖ **Our Academy has always strived to provide an atmosphere where families feel welcome.**
- ❖ **From the moment they walk through our doors, they are invited to become a part of our “Sunlight Family”.**
- ❖ **The mission of our Sunlight Family is to shine God’s light into the hearts of everyone in our community.**
- ❖ **Each member of our family is integral to achieving this goal.**

# Vision

---

- ❖ **As we commemorate our 15<sup>th</sup> year in service with a new building, we feel it is important our public art display has meaning.**
- ❖ **We want our families to understand this is a building for ALL of us to call home.**
- ❖ **Our proposed public art display will highlight this fact through aesthetics and interaction.**
- ❖ **Every staff member, student and family member will have an opportunity to prove they are, in fact, an integral part of our Sunlight Family.**

# The “I” in Sunlight

- ❖ From the moment families arrive they will notice something is missing.
- ❖ Upon closer inspection, they will realize they can be a part of what makes us complete.

# Message

---

- ❖ **Beneath the missing “I”, there will be a plaque located where people should stand.**
- ❖ **We hope to make an impact on what it means to be a member of our Sunlight Family with an important message.**
- ❖ **This plaque will display the following Bible passage:**
  - ❖ **“I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.”**  
*Matthew 8:12*
