Good afternoon. I will forward your comments as part of the public record for the July 13, 2026 meeting. This application is an amendment to the MPUD zoning document.

A site plan has been submitted for a proposed Costco that is under review. It's Project P26-065. A traffic analysis has been submitted and it's under review.

It also looks like Marshall Parkway will be the main thoroughfare for Riverland residents to get to Costco, magnifying traffic through Del Webb significantly. Has the city estimated how much traffic on Marshall Pkwy through Del Webb will be increased by the Costco project?

Thanks,

Ed Goldzimer

Sirs:

We live within 750 feet of the proposed Costco site. Can the July 7 meeting scheduled for 6 PM be viewed via computer (Zoom) or is physical attendance at Building A the only way to view the meeting.

Thanks, Bridget. So it looks like the main Costco facility is over 4 acres (~170,000 sf). Did I hear that correctly?

Thanks,
