Impacts and Findings

- Policy 1.2.1.3 of the Comprehensive Plan requires the adoption of a conceptual land use plan for a DRI with the NCD Future Land Use classification.
- The conceptual plan is to illustrate how the land use sub-categories are allocated, where they are located, and how they would function in relation to each other.
- Policy 1.2.2.1 of the Comprehensive Plan requires an NCD District to contain a minimum of three land use subdistricts.
- Policy 1.2.9.1 states that the Southern Grove NCD District shall, at a minimum, contain the Residential, Mixed Use and Employment Center as the three areas required by Policy 1.2.2.1.
- The proposed text amendment to Figure 1-4 is consistent with these policies.
