3. Additional Insured: An Additional Insured endorsement **must** be attached to the certificate of insurance (should be CG2026) under the General Liability policy. Coverage is to be written on an occurrence form basis and shall apply as primary and non-contributory. Defense costs are to be in addition to the limit of liability. A waiver of subrogation is to be provided in favor of the City. Coverage shall extend to independent consultants and fellow employees. Contractual Liability is to be included. Coverage is to include a cross liability or severability of interests provision as provided under the standard ISO form separation of insurers clause.

Except as to Worker' Compensation and Employer' Liability Insurance, and Professional Liability Insurance, Certificates of Insurance and policies shall clearly state that coverage required by the Contract has been endorsed to include the City of Port St. Lucie, a municipality of the State of Florida, its officers, agents and employees as Additional Insured for Commercial General Liability and Business Auto policies. The name for the Additional Insured endorsement issued by the insurer shall read "City

of Port St. Lucie, a municipality of the State of Florida, its officers, employees and agents shall be listed as additional insured and include Contract #20230086 – Continuing Contract for Construction Manager at Risk.” Copies of the Additional Insured endorsements shall be attached to the Certificate of Insurance. The policies shall be expressly endorsed to provide thirty (30) day written notice to the City prior to any adverse changes, cancellation, or non-renewal of coverage thereunder. In the event that the statutory liability of the City is amended during the term of this Contract to exceed the above limits, the Consultant shall be required, upon thirty (30) days written notice by the City, to provide coverage at least equal to the amended statutory limit of liability of the City.

4. Business Automobile Liability Insurance: The Consultant shall agree to maintain Business Automobile Liability at a limit of liability not less than \$1,000,000.00 each accident covering any auto, owned, non-owned and hired automobiles. In the event, the Consultant does not own any automobiles, the Business Auto Liability requirement shall be amended allowing Consultant to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto Coverage form. Certificate holder must be listed as additional insured. A waiver of subrogation must be provided. Coverage shall apply on a primary and non-contributory basis.
5. Professional Liability Insurance: Consultant shall agree to maintain Professional Liability, or equivalent Errors & Omissions Liability at a limit of liability not less than \$1,000,000 Per Occurrence. When a self-insured retention (SIR) or deductible exceeds \$10,000 the City reserves the right, but not the obligation, to review and request a copy of Consultant's most recent annual report or audited financial statement. For policies written on a "Claims-Made" basis, the Consultant warrants the retroactive date equals or precedes the effective date of this Contract. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplemental Extended Reporting Period (SERP) during the life of this Contract, Consultant shall agree to purchase a SERP with a minimum reporting period not less than four (4) years.
6. Waiver of Subrogation: By entering into this Contract, the Consultant agrees to a Waiver of Subrogation for each required policy. When required by the insurer or should a policy condition not permit an Insured to enter into a pre-loss Contract to waive subrogation without an endorsement then Consultant shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent.
7. Deductibles: All deductible amounts shall be paid for and be the responsibility of the Consultant for any and all claims under this Contract. Where an SIR or deductible exceeds \$5,000, the City reserves the right, but is not obligated, to review and request a copy of the bidder's most recent annual report or audited financial statement.

It shall be the responsibility of the Consultant to ensure that all independent consultants and/or sub-consultants comply with the same insurance requirements referenced herein. It shall be the responsibility of the consultant to obtain Certificates of Insurance from all independent consultants and subconsultants listing the City as an Additional Insured without the language "when required by written contract". If the Consultant, independent consultant and/or subconsultant maintain higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the consultant/independent consultant/subconsultant.

The Consultant may satisfy the minimum limits required above for either Commercial General Liability, Business Auto Liability, and Employers' Liability coverage under Umbrella or Excess Liability. The Umbrella or Excess Liability shall have an Aggregate limit not less than the highest "Each Occurrence" limit for either Commercial General Liability, Business Auto Liability, or Employers' Liability. When required by the insurer, or when Umbrella or Excess Liability is written on Non-Follow Form, the City shall be endorsed as an "Additional Insured".

The City by and through its Risk Management Department reserves the right, but is not obligated, to review, modify, reject or accept any required policies of insurance, including limits, coverages or endorsements, herein from time to time throughout the term of this contract. All insurance carriers must have an AM Best rating of at least A:VII or better.

A failure on the part of the consultant to execute the contract and/or punctually deliver the required insurance certificates and other documentation may be cause for annulment of the award.

Consultant must review the City's Standard Contract for further details and coverage requirements.

Within ten (10) business days of award, the awarded consultant must procure the required insurance and provide the City with an executed Certificate of Insurance. Certificates must reference the contract number and the City as the additional Insured party. The Consultant's submitted pricing must include the cost of the required insurance. No contract performance shall occur unless and until the required insurance certificates are provided.

4. Proposal Evaluation, Negotiations and Award

All timely proposals will be evaluated in accordance with the following steps. Based on the results of the initial evaluation the City may or may not elect to negotiate technical factors as further described in the eRFP. Once the evaluation process has been completed (and any negotiations the City desires to conduct have occurred), the apparent successful consultant will be required to enter into discussions with the City to resolve any exceptions to the City's contract. The City will announce the results of the eRFP as described further in Section 6.7 "Public Award Announcement" of this eRFP.

4.1 Administrative/Preliminary Review

First, the proposals will be reviewed by the Issuing Officer to determine the proposal's compliance with the following requirements:

1. Proposal was submitted by deadline in accordance with Section 2.
2. Meets minimum qualifications.
3. Proposal is complete and contains all required documents.

4.2 Evaluating Proposal Factors

If the consultant's proposal passes the Administrative/Preliminary Review, the consultant's proposal will be submitted to the Evaluation Team for evaluation.

4.2.1 Review of Proposals

Procurement Management will review each proposal in detail to determine its compliance with the eRFP requirements. If a proposal fails to meet the minimum qualifications and mandatory requirements, the City will determine if the deviation is material. A material deviation will be cause for rejection of the proposal. An immaterial deviation will be processed as if no deviation had occurred. All proposals which meet the requirements of the minimum qualifications and mandatory requirements are considered "Responsive Proposals" at this point in time and will be scored in accordance with the point allocation in Section 4.3 "Scoring Criteria" of this eRFP.

The consultant will receive a total score at the conclusion of the evaluation of the eRFP Evaluation Factors.

4.3 Evaluation Process

4.3.1 Criteria for the Written Proposal

The proposal will be scored in the following manner:

Category	Points
Firm's Qualifications (Form 330)	Maximum 30 points
Personnel & Experience and Knowledge (Form 330)	Maximum 30 points
Methodology/Approach	Maximum 35 points
Certified Minority Business Enterprise	Maximum 5 points
Total	Maximum 100 points

4.4 Negotiations of Proposals and/or Cost Factors

The objective of negotiations is to obtain the consultant's best terms. PLEASE NOTE: NEGOTIATIONS ARE DISCRETIONARY; THEREFORE, THE CITY URGES THE CONSULTANT (1) TO SUBMIT ITS BEST RESPONSE AND (2) NOT TO ASSUME THE CONSULTANT WILL BE GRANTED AN OPPORTUNITY TO NEGOTIATE.

4.4.1 Overview of Negotiations

After the Evaluation Team has scored the consultants' proposals, the City may elect to enter into negotiations with all responsive and responsible consultants or only those consultants identified by the Evaluation Team as being in the competitive range. The competitive range will not be selected arbitrarily, and those consultants included in the competitive range must have highly scored proposals. The City shall negotiate a contract with the highest scored firm(s) to a compensation, which is fair, competitive and reasonable. Should negotiations with the highest scored firm fail, the City shall terminate negotiations with the highest scored firm and shall begin with the next highest ranked firm. This process will continue by negotiating with the next highest ranked firm until an agreement is reached, there are no qualified firms remaining, or the eRFP has been cancelled.

4.4.2 Negotiation Instructions

Listed below are the key action items related to negotiations. The City's Negotiation Committee may consist of the City's Evaluation Committee or may be comprised of different people. However, evaluation of proposals or revised proposals shall be completed only by the City's Evaluation Committee.

1. **Negotiation Invitation:** Those consultants identified by the Evaluation Committee to negotiate will be notified and invited to attend negotiations. Consultants will be notified in writing:
 - a. the general purpose and scope of the negotiations;
 - b. the anticipated schedule for the negotiations; and
 - c. the procedures to be followed for negotiations.

2. **Confirmation of Attendance:** Consultants who have been invited to participate in negotiations must confirm attendance.

4.4.3 Competitive Range

If the City elects to negotiate pursuant to Section 4.4, the City may either (1) elect to negotiate with all responsive and responsible consultants, (2) limit negotiations to those consultants identified within the competitive range, or (3) limit negotiations to the number of consultants with whom the City may reasonably negotiate as defined below. In the event the City elects to limit negotiations to those consultants identified within the competitive range, the City will identify the competitive range by (1) ranking consultants' proposals from highest to lowest and (2) then looking for breaks in the scores such that natural groupings of similar scores may be identified. In the event the City determines the number of responsive and responsible consultants is so great that the City cannot reasonably conduct negotiations (which determination shall be solely at the City's discretion and shall be conclusive), the City may elect to limit negotiations to the top three (3) ranked consultants as determined by the Total Score.

4.4.4 Negotiation Round Completion

As part of each negotiation, the City may or may not engage in verbal discussions with the consultants. However, whether or not the City engages in verbal discussions, any revisions the consultant elects to make to its response must be submitted in writing via email by the end date and time identified by the Issuing Officer

4.5 Selection and Award

The responsive and responsible consultant receiving the highest Scored proposal and with whom the City is able to reach agreement as to contract terms will be selected for award.

4.6 Site Visits, Samples, and Oral Presentations

The City reserves the right to conduct site visits or to invite consultants to present their proposal factors/technical solutions to the Evaluation Team. Unless prohibited by federal, state, county, or local laws and/or ordinances, all Consultant requested presentations shall be performed in an in-person meeting. An oral presentation or product demonstration is not a negotiation and Consultants are not permitted to revise their responses as part of the presentation and/or demonstration. Cost information must not be discussed

during the oral presentation of the consultant's technical solution. Samples of items, when required, must be furnished free of expense and, if not destroyed, will upon request, be returned at the Consultant's expense. Request for the return of samples must be made within thirty (30) days following opening of proposals. Each individual sample must be labeled with Consultant's name, eRFP number, and item number. Failure of Consultant to either deliver required samples or to clearly identify samples as indicated may be reason for rejection of the eRFP. Unless otherwise indicated, samples should be delivered to the Procurement Management Department.

4.7 Public Announcement

The preliminary results of the evaluation(s) will be announced through the public posting of either a Notice to Proceed Negotiation with Consultant(s) or Notice of Intent to Award by the [City Clerk's Office](#). The Notice of Intent to Award ("NOIA") is not notice of an actual contract award; instead, the NOIA is notice of the City's expected contract award(s) pending resolution of the protest process period pursuant to City Code of Ordinances, Section 35.14. The NOIA (if any) will identify the apparent successful consultant(s), unsuccessful consultant(s), and the reasons why any unsuccessful consultants were not selected for contract award. NO CONSULTANT SHOULD ASSUME PERSONAL NOTICE OF THE NOTICE OF INTENT TO AWARD ("NOIA") WILL BE PROVIDED BY THE CITY. INSTEAD, ALL CONSULTANTS SHOULD FREQUENTLY CHECK [THE CITY CLERK'S WEBSITE](#) FOR THE POSTING OF THE NOTICE TO PROCEED NEGOTIATION WITH CONSULTANT(S) AND/OR THE NOIA.

5. Payment

To ensure proper payment the awarded Consultant must:

1. The City shall have not less than the allowable time under the Florida Prompt Payment Act, Section 218.70 et seq., Florida Statutes (as amended) to pay for any products and/or services.
2. Invoices must clearly show the description of products and/or services to include the number of each product or line item fulfilled.
3. All invoices must reference the Contract Number as established by the City.
4. Under no circumstance, will interest of any kind be required as payment to the Awarded Consultant.
5. All charges, e.g., set up costs, must be included in the cost proposal. No charges will be allowed unless specified in the eRFP and agreed upon by the City.
6. Any discrepancies noted by the City must be corrected by the Awarded Consultant within 48 hours.
7. The payment amount due on invoices shall not be altered by the City personnel. Once disputed items are resolved, the Awarded Consultant must submit an amended invoice, or a credit memorandum for the disputed amount.
8. The City will not make partial payments on an invoice where there is a dispute.
9. The City will only make payments on authorized transactions.
10. All invoices must be sent to the Project Manager assigned by the City

Payment by City's Visa Card Program

The City currently utilizes the State of Florida [Visa Program](#). The awarded Consultant can take advantage of this program and in consideration, receive payment within several days instead Florida Prompt Payment Act NET 25 terms. Any percentage off the quoted bid price for the acceptance of payment by Visa will be taken into account for consideration of the best value to the City. If no percentage is provided in the cost proposal, the City shall assume zero (0) percent discount applies.

6. Contract Terms and Conditions

The contract that the City expects to award as a result of this eRFP will be based upon the eRFP, the successful consultant's final response as accepted by the City, all applicable contract terms and conditions, which can be downloaded from [DemandStar \(Attachment A – PSL Contract\)](#). The successful consultant's final response as accepted the City shall mean: the final cost and technical proposals submitted by the awarded consultant(s) and any subsequent revisions to the awarded consultant's cost and technical proposals and the contract terms and conditions due to negotiations, written clarifications or changes made in accordance with the provisions of the eRFP, and any other terms deemed necessary by the City, except that no objection or amendment by the consultant to the eRFP requirements or the contract terms and conditions shall be incorporated by reference into the contract unless the City has explicitly accepted the consultant's objection or amendment in writing.

Please review all City attached documents and attached links prior to submitting a response to this eRFP. Consultants should plan on all express requirements within this eRFP, and City attached documents and links contained in this posted solicitation, as being included in any award as a result of this eRFP. Therefore, all costs associated with complying with these requirements should be included in any pricing quoted by the consultants. The City may supplement or revise contract terms and conditions and/or service specific requirements before contract execution.

Exception to Contract

By submitting a proposal, each consultant acknowledges its acceptance of the eRFP specifications and the contract terms and conditions without change. If a consultant takes exception to a Contract Provision or Solicitation Requirement, the consultant must state the reason for the exception and state the specific contract language it proposes to include in place of the provision. Any exceptions to the contract must be uploaded and submitted as an attachment to the consultant's response in Section 8. Proposed exceptions must not conflict with or attempt to preempt mandatory requirements specified in the eRFP.

In the event the consultant is selected for potential award, the consultant will be required to enter into discussions with the City to resolve any contractual differences before an award is made. These discussions are to be finalized and all exceptions resolved within the period identified in the Schedule of Events. Failure to resolve any contractual issues will lead to rejection of the consultant. The City reserves the right to proceed to discussions with the next best ranked consultant.

The City reserves the right to modify the contract to be consistent with the apparent successful offer, and to negotiate other modifications with the apparent successful consultant. Exceptions that materially change the terms or the requirements of the eRFP may be deemed non-responsive by the City, in its sole discretion, and rejected. Contract exceptions which grant the consultant an impermissible competitive advantage, as determined by the City, in its sole discretion, will be rejected. If there is any question whether a particular contract exception would be permissible, the consultant is strongly encouraged to inquire via written question submitted to the Issuing Officer prior to the deadline for submitting written questions as defined by the Schedule of Events.

Order of Preference

In the case of any inconsistency or conflict among the specific provisions of the executed contract (including any amendments accepted by both the City and the Consultant attached hereto), the RFP (including any subsequent addenda and written responses to proposers' questions), and the Consultant's Response, any inconsistency or conflict shall be resolved as follows:

- (i) First, by giving preference to the specific provisions of the executed contract.
- (ii) Second, by giving preference to the specific provisions of the eRFP.
- (iii) Third, by giving preference to the specific provisions of the Consultant's Response, except that objections or amendments by a consultant that have not been explicitly accepted by the City in writing shall not be included in this Contract and shall be given no weight or consideration.

City Project Manager: Per Project Basis.

SECTION III
DESCRIPTION OF SERVICES TO BE PROVIDED

This specific work that the Construction Manager at Risk (CMAR) has agreed to perform pursuant to the RFP #20230086, **Construction Manager at Risk (CMAR) Continuing Services** including all Attachments, all Addenda, and all other restrictions and requirements are incorporated by this reference for the City. Separate contracts will be created for the projects requiring CMAR Services, as determined by the City. Depending upon the individual project, compliance with various federal guidelines may be required. A broader more defined scope of work will be developed for each individual project.

The first order of the qualifying firms will be determined by ranking. The number one ranked firm will be first in the rotation; the number two firm will be ranked second on the rotation, and so on. The method of award for the 'Continuing Services Projects' will be based on a strict rotation basis per the maximum amount per year as established by the various departments for the term of the Contract. Once that maximum amount per award is met, the firm will not be eligible for other projects for that Contract period until the other firms in the rotation have reached equitable amounts for the remaining term of the Contract. The Procurement Management Division will establish a data base and monitor the rotation of the awards to the firms.

The following EXCEPTIONS shall apply to the rotation list:

1. The prime firm selected under the continuing contracts, may not function as a prime contractor for another discipline for the same project. If that situation arises, the next firm in the rotation will be utilized and that skipped firm will be first in line for the next project in the rotation.
2. The exception to #1 is that one firm is able to provide all disciplines (all-inclusive firm) as defined in the scope of work.
3. When the maximum dollar amount per contract period is met by a firm is a prime, that firm will not receive another award until all firms in the rotation have received equitable dollar amounts of awards.
4. If a firm indicates in writing that it is unable to meet the scope of work or schedule for the specific project.

Each fiscal year the City will review the departments' budgets to determine whether there has been any significant changes in the budgets. The City will then determine if there's a significant change from what was originally proposed to amend the maximum amount awarded per firm. Each Contract anniversary the maximum amount of award per firm will be established based on the City's adopted Capital Budget.

A CMAR is selected to manage the performance of all goods and services necessary for the successful completion of the project. During the Pre-construction Phase, the CMAR will assist the City and design professional(s) to determine buildability, provide input, value engineering, and advise means or methods of potential cost savings to the City. The CMAR will complete the Construction Phase by the utilization of subcontractor's qualified, experienced, and licensed companies/contractors who specialize in the various areas covered in the scope of the project. The Construction Phase will be inclusive of obtaining necessary

permits, the selection and subcontracting of companies/contractors for goods and services that bring quality, economic benefits, and value engineering to the City.

Project Management Information System (PMIS). CMAR shall use a PMIS to collect, combine, and distribute information.

6. Deductibles: All deductible amounts shall be paid for and be the responsibility of the Contractor for any and all claims under this Contract. SEVERABILITY

The provisions of this Contract shall be deemed severable and if any portion of the Contract is found invalid or unenforceable, it shall not affect the validity or enforceability of the other provisions herein.

SECTION XXXI
AUDITS

The Contractor shall establish and maintain a reasonable accounting system that enables the City to readily identify the Contractor's assets, expenses, costs of goods, and use of funds throughout the term of the Contract for a period of at least seven (7) years following the date of final payment or completion of any required audit, whichever is later. Records shall include, but are not limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence. The Contractor shall permit the City's authorized auditor or any authorized representative of the State, and where federal funds are involved, the Comptroller General of the United States, or any other authorized representative of the United States government, to access and examine, audit, excerpt and to make copies of all books, documents, papers, electronic or optically stored and created records or other records relating or pertaining to this Contract kept by or under the control of the Contractor, including, but not limited to, those kept by the Contractor, its employees, agents, assigns, successors, and subcontractors. Such records shall be made available to the City during normal business hours at the Contractor's office or place of business. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. If an audit discloses incorrect billings or improprieties, the City reserves the right to charge the Contractor for the cost of the audit and appropriate reimbursement. Any adjustments and/or payments that must be made as a result of any such audit or inspection of the Contractor's invoices and/or records shall be made within a reasonable amount of time (not to exceed ninety (90) days) from presentation of the City's findings to the Contractor. Evidence of criminal conduct will be turned over to the proper authorities.

The Contractor shall ensure the City has these rights with Contractor's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Contractor and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the Contractor's obligations to the City.

SECTION XXXII
ORDER OF PREFERENCE

In the case of any inconsistency or conflict among the specific provisions of this Contract (including any amendments accepted by both the City and the Contractor attached hereto), the E-Bid (including any subsequent addenda and written responses to bidders' questions), and the Contractor's Response, any inconsistency or conflict shall be resolved as follows:

- (i) First, by giving preference to the specific provisions of this Contract.
- (ii) Second, by giving preference to the specific provisions of the E-Bid.
- (iii) Third, by giving preference to the specific provisions of the Contractor's Response, except that objections or amendments by a contractor that have not been explicitly accepted by the City in writing shall not be included in this Contract and shall be given no weight or consideration.

SECTION XXXIII
FORCE MAJEURE

Any deadline provided for in this Contract may be extended, as provided in this paragraph, if the deadline is not met because of one of the following conditions occurring with respect to that particular project or parcel: fire, strike, explosion, power blackout, earthquake, volcanic action, flood, war, civil disturbances, terrorist acts, hurricanes and acts of God. When one of the foregoing conditions interferes with contract performance, then the party affected may be excused from performance on a day-for-day basis to the extent such party's obligations relate to the performance so interfered with; provided, the party so affected shall use reasonable efforts to remedy or remove such causes of non-performance. The party so affected shall not be entitled to any additional compensation by reason of any day-for-day extension hereunder.

SECTION XXXIV
CONSTRUCTION

The title of the section and paragraph headings in this Contract are for reference only and shall not govern, suggest, or affect the interpretation of any of the terms or provisions within each section or this Contract as a whole. The use of the term "including" in this Contract shall be construed as "including, without limitation." Where specific examples are given to clarify a general statement, the specific language shall not be construed as limiting, modifying, restricting, or otherwise affecting the general statement. All singular words and terms shall also include the plural, and vice versa. Any gendered words or terms used shall include all genders. Where a rule, law, statute, or ordinance is referenced, it shall mean the rule, law, statute, or ordinance in place at the time the Contract is executed, as well as may be amended from time to time, where application of the amended version is permitted by law.

The parties have participated jointly in the negotiation and drafting of this Contract, and agree that both have been represented by counsel and/or had sufficient time to consult counsel, before entering into this Contract. In the event an ambiguity, conflict, omission, or question of intent or interpretation arises, this Contract shall be construed as if drafted jointly by the parties, and there shall be no presumption or burden of proof or persuasion based on which party drafted a provision of the Contract.

SECTION XXXV
NON-EXCLUSIVITY

Contractor acknowledges and agrees that this Contract is non-exclusive.

SECTION XXXIII
ENTIRE AGREEMENT

This Contract sets forth the entire agreement between Contractor and City with respect to the subject matter of this Contract. This Contract supersedes all prior and contemporaneous negotiations, understandings, and agreements, written or oral, between the parties. This Contract may not be modified except by the parties' mutual agreement set forth in writing and signed by the parties.

SECTION XXXVII
FEDERAL TERMS AND CONDITIONS

For projects where federal and/or state funding may be used to fund the project in full or in part, there may be additional terms required for the contract executed related to the project. Below, please find a sample of the provisions that may be required in such instances. Additionally, there may be terms required by individual grants, which the City reserves the right to include in any contracts entered related to or stemming from this Contract.

Pursuant to 2 CFR 200.327 and Appendix II of 2 CFR 200, the following federal requirements and contract provisions are incorporated herein, where applicable.

Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

All contracts in excess of \$10,000 must address termination for cause and for convenience by the City of Port St. Lucie including the manner by which it will be affected and the basis for settlement.

TERMINATION FOR CAUSE

Default Event. The occurrence of any one or more of the following events shall constitute cause for the City of Port St. Lucie, FL to declare the contractor in default of its obligations under the Contract:

- IX. The contractor fails to deliver or has delivered nonconforming services or fails to perform, to the City of Port St. Lucie, FL's satisfaction, any material requirement of the Contract or is in violation of a material provision of the contract, including, but without limitation, the express warranties made by the contractor;
- X. The contractor fails to make substantial and timely progress toward performance of the Contract;
- XI. In the event the contractor is required to be certified or licensed as a condition precedent to providing the services under this Contract, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
- XII. The contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the contractor terminates or suspends its business; or the City of Port St. Lucie, FL reasonably believes that the contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- XIII. The contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Contract;
- XIV. The contractor has engaged in conduct that has or may expose the City of Port St. Lucie, FL to liability, as determined in the City of Port St. Lucie, FL's sole discretion;
- XV. The contractor furnished any statement, representation, or certification in connection with the Contract, which is materially false, deceptive, incorrect, or incomplete.

Notice of Default. If there is a default event caused by the Contractor, the City of Port St. Lucie, FL, shall provide written notice to the contractor requesting that the breach or noncompliance be remedied within the period of time specified in the City of Port St. Lucie, FL's written notice to the contractor.

Remedies. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the City of Port St. Lucie, FL, may:

- IV. Immediately terminate the Contract without additional written notice(s); and/or
- V. Enforce the terms and conditions of the Contract and seek any legal or reasonable remedies; and/or
- VI. Procure substitute services from another source and charge the difference between the Contract and the substitute contract to the defaulting contractor. Such a charge, in the City of Port St. Lucie, FL's option, may be invoiced to the contractor and/or may be deducted from payments due to the contractor. Deductions thus made will not excuse the contractor from other penalties and conditions contained in the Contract.

TERMINATION FOR CONVENIENCE

The City of Port St. Lucie, FL, in its sole discretion, may terminate this Contract at any time without cause, by providing at least sixty (60) days' prior written notice to contractor. Any such termination shall be accomplished by delivery in writing of a notice to contractor. Following termination without cause, the contractor shall be entitled to compensation upon submission of invoices and proper proof of claim, for services provided under the contract to the City of Port St. Lucie, FL, up to the time of termination, pursuant to Florida law.

The following Items (1) through (12) are "MANDATED CONDITIONS" that will be incorporated into this Contract, where applicable.

(1) EQUAL OPPORTUNITY EMPLOYMENT

In accordance with 41 C.F.R. §60-1.4(b), the sub-recipient/contractor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this Contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor's](#) legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204

of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The contractor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The contractor further agrees that it will refrain from entering into any contract or [contract modification](#) subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the contractor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such contractor; and refer the case to the Department of Justice for appropriate legal proceedings.

(2) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient/contractor hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this Contract.

Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the U.S. Department of the Treasury may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance

by any subcontractor or lower tier subcontractor with all of these contract clauses.

Breach. A breach of the contract clauses above may be grounds for termination of the Contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(3) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

For contracts to be in compliance with the Contract Work Hours and Safety Standards Act the following are required:

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The U.S. Department of Treasury shall upon its own action or upon written request of an authorized representative of the

Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts*. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

(4) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q).

The contractor agrees to report each violation to the City of Port St. Lucie and understands and agrees that the City of Port St. Lucie will, in turn, report each violation as required to assure notification to the U.S. Department of the Treasury, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by U.S. Department of the Treasury.

The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant the Federal Water Pollution Control Act as amended (33 U.S.C.1251-1387).

The contractor agrees to report each violation to the City of Port St. Lucie and understands and agrees that the City of Port St. Lucie will, in turn, report each violation as required to assure notification to the U.S. Department of the Treasury, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by U.S. Department of the Treasury.

The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by U.S. Department of Treasury.

(5) SUSPENSION AND DEBARMENT

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a

contract, then any such contract must include the following provisions:

This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by the City of Port St. Lucie. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the City of Port St. Lucie, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(6) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient/contractor, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

(7) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

- a. If the Sub-Recipient/contractor, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient/contractor shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- 1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - 2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - 3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
 - 4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
 - 5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - 6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs 1 through 5 of this subparagraph.
- b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.
- c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.
- d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(8) DAVIS-BACON ACT, AS AMENDED (40 U.S.C. 3141–3148)

As required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity

must report all suspected or reported violations to the Federal awarding agency.

The Wage Decision to use for this Contract *is not* applicable to this contract. (*Provide prevailing wages if required*)

(9) PROCUREMENT OF RECOVERED MATERIALS

Contractor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certification to City of Port St. Lucie. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage for recovered material practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds ten thousand (\$10,000) dollars or the value of the quantity acquired during the preceding fiscal year exceeds ten thousand (\$10,000) dollars; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

In the performance of this Contract, the contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired competitively within a timeframe providing for compliance with the Contract performance schedule; meeting Contract performance requirements; or at a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>

The contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

(10) PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

(a) *Definitions.* As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in Title 2 CFR §200.216 of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and as adopted by the U.S. Department of Treasury, as used in this clause—

(b) *Prohibitions.*

certain entities for national security reasons.

(2) Unless an exception in paragraph (c) of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the ARPA to:

 - (2) Telecommunications or video surveillance services provided by such entities or using such equipment.
 - (3) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- (iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or

(c) *Exceptions.*

(1) This clause does not prohibit contractors from providing—

- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
- (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to:

- (i) Covered telecommunications equipment or services that: i. Are not used as a substantial or essential component of any system; and ii. Are not used as

critical technology of any system.

- (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d) *Reporting requirement.*
