**Re: Becker Road Phase 1 Irrigation City of PSL #P23-067, PSLUSD #5405
Irrigation Certification
CH Project 20-0518**

Dear Ms. Spriggs,

As Landscape Architects of Record, Cotleur & Hearing was requested to conduct an irrigation inspection for the Becker Road Phases I Irrigation, City of PSL #P23-067, PSLUSD #5405. (Becker Road Phase I includes only the stretch of roadway starting at the intersection of North South B Road, heading west to the intersection of North South A Road). We were requested to inspect the irrigation material, certify the completion of the project and overall conformity of the plans and specifications approved by the City of Port St. Lucie.

The irrigation site inspection was conducted on Thursday, August 29, 2024. Our observations conclude that the irrigation contractor has executed the irrigation installation in substantial compliance with the plans and specifications.

Based on the above, we hereby certify the irrigation to be in substantial compliance of the approved plans of record. Should you have any questions or need additional information please feel free to contact me directly

Very truly yours

Cotleur & Hearing
