Mr. John Eason, P.E.
Assistant Director
City of Port St. Lucie Utility Systems Department
900 SE Ogden Lane
Port St. Lucie, FL 34983

**RE: Port St. Lucie James E. Anderson Water Treatment Plant Deep Injection Well
Mechanical Integrity Testing
MIT Price Quote
PSL Project No. 60-0009**

Dear Mr. Eason:

The purpose of this letter is to convey a recently obtained price quote for the performance of mechanical integrity testing (MIT) of injection well IW-1 at the JEA Water Treatment Plant. The attached completed Bid Form provides pricing from Youngquist Brothers, LLC to perform the above-described work.

Should you have any questions regarding this recommendation, please contact me at (561) 891-0763.

Sincerely,

McNabb Hydrogeologic Consulting, Inc.

A handwritten signature in blue ink, appearing to read "David McNabb", is written over the printed name.

David McNabb, P.G.
