Mayor Martin

I am a homeowner in Del Webb. I want to to know that I and many neighbors are adamantly opposed to changing this MUD and to include the Tradition Trail that you know we are adamantly opposed to. I cannot believe that the City would approve this.

I and many neighbors will attend the Planning and Zoning Meeting, and the City council meeting. I sincerely hope that you and Council will not approve Mattamys request and abide by the wishes of your constituents.

Sincerely
Hillary Goldstein

to rezone 30.89 acres from Agriculture to Multi- use!

I have attached pictures and can save you are aware of this proposal that will be in front of the Planning and Zoning council May 3rd at 6 pm! This parcel is adjacent to Del Webb and happens to be where you had suggested the Trail to be reconnected instead of disconnecting our private road and separating our private gated community! We are being told by Mattamy that they are two years away from starting the section of the Trail that has caused us concern! Seems they are not willing to reduce our options! When someone has good reason to human nature to hurry to reform all but when there is bad news one will delay and cause other months or even a Palmetto/Garrett way parcel! I would like your partnership with signs for Mayor, donated by money to you and Anthony and attended both your collaboration! We believe in you but it is our home that is at property and we have asked for your help! If you can't just say so because maybe you can print us in the right direction! Asking us to try to resolve this with Mattamy/ Palmetto/ Garrett has been nothing but promised meetings that never happen but the time to try to make the above rezoning application! Thank you! Charles Pimental Del Webb resident and Trail Committee member for 5+ unproductive months!

Mr. Bonna,

I feel it is necessary to reach out to you concerning the proposed Storage unit south of my neighborhood. I am extremely unhappy with the proposed business being so near homes and neighborhoods. We bought our home with the impression that commercial business would be on the east side of Village Parkway. It would destroy the Tradition community aesthetic to have it placed so close. Please consider voting against the proposed change and business permit. There are also many other units within 5 miles already built and in use. Another storage facility seems unnecessary and redundant.

Respectfully,

Subject: P22-095 Proposed Rezoning - 5/3/22 meeting - opposed
Date: Tuesday, May 3, 2022 9:15:19 AM

Ms. Kean,

I am writing in opposition to the proposed rezoning P22-095. We reside at 13072 SW Aureolian Lane; our property is indicated as #72 on the Notice to Property Owners Map included in the notice we received via USPS. When we purchased our home, we intentionally purchased a lot on the wetland that is behind our property. We routinely see otters, deer, Sandhill Cranes, Storks, Roseate Spoonbills, etc. in the wetland area behind us. Changing the parcel in question is likely to have a negative impact on the wildlife in this area. The wildlife may not be able to access the wetland if/when this parcel is rezoned. Habitat areas for wildlife continue to disappear.

Putting a self storage facility on more than 8 acres of this parcel does not fit in with the character of our residential area. Most of these facilities have 24 hour access; traffic and lights could be visible all night. We attended meetings about the proposed Tradition Trail last year. The "Walk in the Park" area will be visible across the wetland behind our property. It is planned to have an outdoor classroom and pavilion and a boardwalk in a restored wetland. It is supposed to be representative of a natural Florida area. There is a planned a trail/entrance from Village Parkway. Will that access be N or S of this parcel? How does this additional retail/commercial area align with the "Walk in the Park" area of Tradition Trail?

There are no bike lanes on Village Parkway, but many people ride bikes along the road. Until the Tradition Trail is completed, bike riders are often in danger riding along Village Parkway. Adding additional retail/commercial space on the West side increases this risk. While our community, Del Webb Tradition (DWT), is a 55+ community; Heron Preserve is not. It is located across Marshall Parkway from DWT. There are many families with children riding bikes in the area. It is already dangerous enough without this proposed rezoning.

On the East side of Village Parkway there is ample space for additional commercial development. A self storage facility would be better suited East of Village Parkway, not on the West side.

I am opposed to this proposed rezoning. Thank you.

As a resident of DWT, I am adamantly opposed to this requested change in zoning!

I am not able to attend the 5/3 and 6/13 meetings but wanted to voice my opposition to be added to that of other DWT residents.

Also, what is the notification process to affected residents? We received no notification of this change other than 'community buzz' and above-pictured sign.

Thank you!

NOTICE TO ADJACENT PROPERTY OWNERS
REZONING REQUEST

P22-095 –Southern Grove 10 MPUD (Master Planned Unit Development)

The City of Port St. Lucie has received a request from Lucido and Associates, acting as agent for Mattamy Palm Beach, LLC, owner, to rezone approximately 30.89 acres of property from the zoning designation of St. Lucie County AG-5 – Agricultural, one dwelling unit per five acres, to the zoning designation of City of Port St. Lucie Master Planned Unit Development (MPUD). The proposed MPUD will allow for 19.67 acres of residential development, 2.70 acres for retail/commercial/office uses and 8.49 acres for warehouse/self-storage uses.

The property is generally located north of Paar Drive, south of Del Webb Tradition, west of SW Village Parkway, and east of conservation and park land. The legal description is a portion of Parcel 27D, Southern Grove Plat No. 13. The full legal description is on file in the Planning and Zoning Department.

There will be a public hearing held by the Planning and Zoning Board at 6:00 p.m., on Tuesday May 3, 2022, in the City Hall Council Chambers, 121 SW Port St. Lucie Boulevard, at the corner of Airoso and Port St. Lucie Boulevards, Port St. Lucie, Florida.
