- B. On April 17, 2024, the Consultant received sixteen (16) submissions, all of which were evaluated by the Selection Committee on April 19, 2024. The Selection Committee chose three (3) finalists which would be provided the Request for Proposal (“RFP.”) The RFP is attached as Exhibit “B” and made part of this MOU.
- C. On April 23, 2024, the RFP was sent to the three (3) finalists, with finalist concepts due by June 5, 2024.
- D. On August 6, 2024, the finalists’ concepts were presented to the Selection Committee who ranked the three (3) proposals.
- E. On August 19, 2024, the top three (3) proposals were presented to the Public Art Advisory Board (“PAAB”) and after discussion, the PAAB made a motion to not move forward with any of the proposals. It was determined, between PAAB, Consultant, and Staff, to provide a Conceptual Packet, which showcases characteristics of the City of Port St. Lucie.
- F. To move forward and avoid further delay with the Project, the City through its Consultant, has prepared a Conceptual Packet, which consists of various media and is intended to represent the context and characteristics of the City. The Conceptual Packet is attached as Exhibit “A” and made a part of this MOU.
- G. The Conceptual Packet will be provided to the top three (3) finalists, giving each an opportunity to provide a revised proposal to the PAAB.
- H. The Artist understands that this MOU outlines the Artist’s responsibilities and the conditions for the submission of a revised proposal to the PAAB for the Project.

Accordingly, the Artist agrees as follows:

1. **Recitals.** The above recitals, as well as all exhibits and materials referenced therein, are incorporated into and made a material part of this MOU.
2. **Term of MOU.** As a condition to submitting a revised proposal, Artist must sign this MOU. This MOU shall remain in full force and effect for no longer than thirty (30) days upon date of receipt by Artist (until October 6, 2024.) This includes watching or reviewing, in its entirety, all videos or medias provided in the conceptual packet. Upon sufficient review, Artist shall have ten (10) days from receipt of conceptual packet to both review and sign this MOU (until September 16, 2024.)
- b. The Artist understands that the Conceptual Packet is supplemental to the originally-issued RFP, and that any new concept submitted under this MOU shall respond to the same parameters of the originally-issued RFP.
- c. Artist shall provide to Consultant a revised proposal for the Project within thirty (30) days from the date the Artist received the MOU (due October 6, 2024.) Please note that proposal is due thirty (30) days from day of receipt of MOU and Conceptual Packet, NOT from date the MOU is signed.
- d. Artist shall be prepared to provide any additional information and present, at request of the City and/or Consultant.

4. **Responsibilities of City and/or Consultant.**

- a. Consultant shall provide a conceptual packet which highlights additional information about the City of Port St. Lucie, including, but not limited to, photos, videos, and/or descriptive information.
- b. Upon the City and/or Consultant receiving a revised proposal, the City shall provide Artist with a \$500 honorarium.
- c. City and/or Consultant shall be available for any questions regarding submission of a revised proposal and the expected process after submission.

5. **Construction.** This MOU supplements both the original RFP and if either the MOU or Conceptual Packet conflicts with the RFP, the RFP’s language prevails.

6. **Rights Reserved.** The City or Consultant reserves the right to reject any proposal received, consistent with the RFP, and the signing of this MOU does not guarantee that a proposal shall move forward or be chosen for the City Hall Mural.

By signing this MOU before or on September 16, 2024, Artist attests that the Conceptual Packet has been reviewed in its entirety and that Artist agrees to submit a revised proposal for the Project within thirty (30) days (before or on October 6, 2024) of receipt of the Conceptual Packet and MOU.

Originally-issued RFP

**REQUEST FOR PROPOSALS (RFP)
City Hall Mural
Port St. Lucie, FL**

Issue Date: April 23, 2024
Due Date: June 5, 2024

Project Description

The City of Port St. Lucie is seeking an artist to install an original mural at Port St. Lucie City Hall. The “Wall @ City Hall” is a public art project. This newly-commissioned mural will replace the inaugural Wall @ City Hall mural, which was originally installed in 2014.

Project Site

The City of Port St. Lucie City Hall Complex comprises three buildings: City Hall (A), the Building Department (B) and Police Department (C). A cement wall encompasses trash bin receptacles adjacent to the rear (west side) of City Hall. This highly visible structure measures 12’ 6” by 64’ 3” and is painted with a flat, beige paint.

Project Theme

Branded as the “Heart of the Treasure Coast,” The City of Port St. Lucie has much to offer in terms of natural beauty, outdoor recreation and quality of life. The artwork will showcase the community’s rebranding, welcome people of all backgrounds, and highlight the area’s lifestyle. The new mural at City Hall will act as an artistic expression of Port St. Lucie’s new rebranding to welcome families and the young-at-heart from all backgrounds who seek a down-to-earth Florida lifestyle.

Project Description

- Projected budget is not to exceed \$50,000 for an artist or team of collaborative artists. See budget section below for more details.
- Maintenance budget will be allocated for the upkeep of this mural outside of the scope.
- Surface is smooth finished concrete.
- Design will be suitable and acceptable for public viewing of all ages.
- Mural must be completed by Fall 2024.
- Artists or artist teams must be comfortable with an opportunity for the public to watch the installation of the mural

Design Parameters for Proposals

Building on the Project Theme, as described above, the Selection Committee is seeking inclusion of one or more of the following specific conceptual themes in the mural proposals, as identified in the attached 2024 Citizen Engagement Report:

- Family
- Diversity
- Nature
- Outdoor recreation
- Heart iconography, to capture the phrase “Heart of the Treasure Coast”
- Contain text elements that pertain to any of the themes above
- Include plans for a living wall element within the mural

Additionally, proposals should align with the City’s recent rebranding guidelines, attached in this PDF for reference. Proposals should ideally:

- Use colors that are similar to those in the brand guidelines
- Use font and typography styles that are similar to those in guidelines

This surface is visible from Port St. Lucie Boulevard, one of the largest and most-traveled roads in the city; however, the wall is not in close proximity to the immediate public right-of-way. When developing proposals, artists should consider this distance, as highly-detailed or compositionally complex designs may be illegible or difficult to interpret from the road vantage point.

Responding to this RFP

Please send a concept proposal addressing the following:

- Narrative description of the concept and its relationship to its site/community.
- Concept drawings that show the following:
 - Location and dimensions of the artwork and site plan with footprint of artwork.

- List of proposed materials
- List of maintenance issues and concerns
- Preliminary installation plan and required equipment
- Timeline from concept to final installation with key milestones with target installation date of Fall 2024.

- Budget with major line items identified. The budget for this project is \$50,000 and is inclusive of all costs associated with the project, including but not limited to: artist expenses/honorarium, administration, sub-consultants, travel/lodging, artwork fabrication (including materials, details and specifications), site prep, storage, transportation and installation, related permits, licenses, taxes and insurance. Any expenses that exceed the contracted amount will be the artist's responsibility.
