## ABSTRACT ARTIST

Gustavo Oviedo is a contemporary artist whose diverse upbringing spans Paris, France, Colombia, Venezuela, and Mexico, with the past two decades living in Miami, Florida.

Oviedo earned a BA in Graphic Design from the International Fine Arts College in Miami and a Masters in Animation & Visual Effects from the Design Academy of Art University in San Francisco.

An avid diver and underwater videographer, Oviedo draws inspiration from his deep connection to the sea.

His distinctive understanding of underwater forms nurture his artistic practice, which includes large-scale public murals, paintings, and video art.

Oviedo's work is characterized by organic shapes that capture the ocean's cosmic consciousness, reflecting his passion for marine environments.
