Afternoon MaryAnn,

Sarah and I would like to request approval to be added to either 9/11 or 9/25 meeting for a special presentation. The Communications Department would like to present to Council the major awards the City won and acknowledge all the departments who aided in the solid waste education. This would be very brief, but a nice group photo would be appreciated.

Please let me know what other steps we need to do to accomplish this.

Thank you so much,

Melissa Yunas
