10-Year Master Plan

T O M O R R O W B E G I N S T O D A Y

Your Dreams

Beginning in July of 2018, the Port St. Lucie Parks & Recreation Department began a year-long parks and recreation planning process.

Over 1,200 residents participated in an extensive needs assessment process. Two public workshops and various interviews and focus groups were coupled with a statistically-representative mail survey and an online survey to further retrieve information from residents.

Simply put, you spoke and we listened. After a year of collecting your input, we were able to assess your top priorities for parks and recreation improvements and programs.

Facility Priorities

Walking and hiking trails; paved bike trails; natural areas & nature parks; dog parks; outdoor stage & amphitheatre; fitness centers & spa; indoor/outdoor pools, spraygrounds, splash pads and other aquatics; improvements to existing parks, recreation centers and fields; multipurpose athletic fields; new neighborhood and community parks.

Program Priorities

Adult fitness and wellness; nature programs; summer concerts; special events; senior programs.

Your Dreams + Our Plan

FURTHER DEVELOPMENT OF THE RIVERWALK PROJECT

Continue progress on the Riverwalk South projects, including Master Plan process for Riverwalk North and South to create a dynamic Riverwalk district.

Est. +/- \$12.4m in 2019 - 2024

PHASE 1 OF TORINO REGIONAL PARK & SPORTS COMPLEX SITE

Design and construct a regional park and sport complex, providing a regional destination for sports, leisure and fitness activities.

Est. +/- \$10.0m in 2023 - 2025

PHASE 1 OF TRADITION REGIONAL PARK & SPORTS COMPLEX SITE

Design and construct a regional park and sport complex, providing a regional destination for sports, leisure and fitness activities.

Est. +/- \$10.0m in 2025 - 2027

DEVELOPMENT & CONSTRUCTION OF ADVENTURE PARK

Design and construct an adventure park complex, providing access to exciting and extreme-level sports such as BMX tracks, skate parks, zip lines and more.

Est. +/- \$4.0m in 2019 - 2022

LAND ACQUISITION FOR JOINT-USE STORMWATER TREATMENT PARK SITES

In collaboration with the City's Utility Systems Department, land acquired for parks sites will also provide stormwater treatment and water quality improvement projects.

Est. +/- \$2.30m in 2025 - 2027

IMPROVEMENTS TO EXISTING PARK SITES

Existing parks may be improved by the introduction of additional amenities or features such as trails, dog parks, splash pads and building improvements.

Est. +/- \$4.70m in 2019 - 2024

DEVELOP APACHE AND WINTERLAKES PARKS

Complete Winterlakes Park and develop the Apache Neighborhood Park model to include playgrounds, pavilions, fishing opportunities and open-space play areas.

Est. +/- \$3.70m in 2019 - 2025

CITY-WIDE TRAIL MASTER PLAN

Develop a safe, comfortable and enjoyable network of on and off-road bikeways, trails and sidewalks, with a long-range goal of providing safe walking and biking transportation routes throughout the City.

Est. +/- \$150,000 in 2025 - 2026

= One Vision

We need your help!

To get from here to there, we need your help to bring this plan to life.

The final success of the 10-Year Master Plan relies on continual input and dialogue with our residents. As a result, ongoing community outreach and a five-year update process will ensure the effectiveness and relevance of this plan throughout its lifetime.

If you'd like to get involved with the implementation of the Port St. Lucie Parks & Recreation 10-Year Master Plan, contact us today!
