## IMPACTS AND FINDINGS

### COMPREHENSIVE PLAN REVIEW

**Land Use Consistency (Policies 1.1.4.2 and 1.1.4.13):** Policy 1.1.4.2 of the Future Land Use Element states the City shall provide the Commercial Service (CS) Future Land Use Designation Intended for the most intensive commercial development including wholesale, warehouses, vehicle sales, lumber yards, etc. In addition, the proposed rezoning is consistent with Policy 1.1.4.13 in which the Warehouse Industrial (WI) zoning district is listed as a compatible zoning district under the Service Commercial (CS) future land use classification.

FUTURE LAND USE CLASSIFICATION	COMPATIBLE ZONING DISTRICT(S)
Service Commercial (CS)	CS, GU (General Use), & <b>WI (Warehouse Industrial)</b>

### ZONING REVIEW

**Applicant’s Justification Statement:** The applicant requests to rezone the parcels from RS-2 to WI to support development of a commercial warehousing type facility. WI’s zoning permits the development and maintenance of warehousing facilities while the current RS-2 does not permit such facilities.

**Staff Analysis:** The proposed rezoning to WI is consistent with the future land use CS and surrounding zoning designations including WI and CS. Further, nearby land uses include maintenance and contractor facilities in the CS zoning to the west of SW Campana Street and a self-storage facility in the CS designation to the immediate south.
