Per Michael Peter, a replacement shower/tub valve doesn't require a permit nor inspection.

Hey Anthony,

Can you take a look at these pics and tell me if this work requires a permit.

Ms. Crooms,

Please send me a copy of the inspectors report on electrical work today.  
Also, please let me know if I need to schedule an inspection for Elites plumbing work since they altered our pipes. This is what is still leaking. Thank you. Images below of the change in our pipes by Elite:

Thank you,  
Kim Gesell
