RE: Sole Source Manufacturer - Econolite

Dear Ms. Ruiz,

This letter is to verify that Econolite is the sole manufacturer and distributor of all "Econolite" products in the State of Florida. This would include, but is not limited to, Centracs Mobility, Centracs Edaptive, Cobalt Traffic Signal Controllers, and Autoscope™ Video Detection products. This also includes any products or software licensing that would be associated with Econolite products. Any procurement of hardware should be made through Matt Joseph from our Econolite Florida office.

Should you have any questions please let me know.

Sincerely,

Econolite Control Products, Inc.
