June 1, 2021

To: Spears® Manufacturing Company Distribution Partners

RE: Price Increase Notification

Due to continued increases in material and operational costs; Spears® Manufacturing Company will initiate a price increase on our PVC-DWV products beginning June 15, 2021.

These changes are in addition to previously announced increases and will be as follows:

- All standard and large diameter, PVC-DWV products (product groups 051, 052, 053, 054, 390 and 400) will increase by 10%.

Updated list pricing will be available at www.spearsmfg.com during the first week of June, 2021.

Quotations issued on or before June 15, 2021 will be honored only until June 15, 2021. All orders will be for immediate shipment only. No future-ship orders will be accepted. Until further notice, we will monitor incoming orders and limit purchases to two weeks (1/24th) of your 2020 purchases within the PVC-DWV product groups. Orders outside typical purchasing characteristics in size and frequency are subject to revision or refusal.

We continue to work to keep product available to you while providing tangible value for being a loyal Spears® Distributor.

Thank you all for your continued support.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matt Baker'.

Matt Baker
Vice President, Sales Operations
Spears® Manufacturing Company

**RE: 2nd REVISION - List Price Increase for Import Fittings, Accessories & Fabricator Products
Effective June 1, 2021**

The unprecedented global supply chain challenges continue to increase our costs. The Chinese Government just rescinded the 13% tax (VAT) credit on most exported Iron & Steel Products effective May 1st, 2021. Therefore, we are rescinding and replacing our April 20th announced price increase for our Import Fittings, Fabricator Products and Accessories product lines.

The revised Price Lists for all Import fittings (including FBE, P401 and Zinc), Accessories and Fabricator Products will be increased 23% from PL21.01. These new Price Lists, to be labeled with a suffix of 21.03, will be posted on our website at www.StarPipeProducts.com shortly. Updated Regional multipliers will also be sent out this week.

All committed inventory that ships before May 31st will be at current pricing and subject to availability. Product shipments after May 31st will be priced off the new PL21.03 with the associated multipliers. This includes backorders from prior orders.

Because of the unforeseen immediate cost increases, we will not be able to honor Municipal or Annual bids that were quoted from PL19.01, or prior lists.

Please contact your Star Territory Manager or Star Inside Sales Representative with details on any approved Municipal or Annual Contracts with Star Pipe Products.

Unfortunately, this is affecting all of us. We apologize for the inconvenience. Thank you for working through it with us.

Sincerely,

A handwritten signature in black ink that reads "Jason O'Nan".

April 5, 2021

To: All Valued ASC Engineered Solutions Customers,

Due to continued increases in raw materials, ASC Engineered Solutions will be implementing the following price increases effective May 3, 2021. All orders placed on or before April 30, 2021, will be honored at current pricing.

Although the amounts may vary by item, the estimated price increase by product category will be as follows:

Product Line	Increase	Price Sheet
Anvil Strut Channel	Various	AS-5.21
Anvil Strut Fittings	10%	AS-5.21
Gruvlok Standard Products	6%	GR.STD-5.21
Gruvlok Fire Protection Products	6%	GR.FP-5.21
SCI Cooplok Grooved	12%	SCI.GR-5.21
Fire Protection Valves (Gruvlok Check Valves and Butterfly Valves)	6%	FPVLV-5.21
SCI Flanged Fittings and Flanges	6%	SCI.FLG-5.21
International Brass Ball Valves	8%	IBV.5.21
SCI Branded Valves (see below):		
- SCI Brass & Bronze Gates / Low Pressure Valves	12%	SCI.VA-5.21
- SCI Brass Ball Valves (Standard & Lead Free)	5-8%	SCI.VA-5.21
Sharpe Branded Valves & Automation (except those noted below):	5%	Contact a local rep
- Sharpe Stainless Flanged Ball Valves	8%	Contact a local rep
- Sharpe Series 10 Brass Valves	8%	Contact a local rep
FPPI	5-12%	SCI.FPPI-5.21
FlexHead	6%	FLXHD-5.21
SprinkFlex	6%	SPRFLX-5.21

We will be consolidating list prices of Cooplok and SCI branded grooved products to match the list prices of equivalent Gruvlok and SPF products. These list price changes will be effective on May 3, 2021.

ASC Engineered Solutions reserves the right to limit order quantities based on historical purchase patterns, and will not be accepting backorders. Orders with release dates after or submitted after April 30, 2021, will be billed at the new pricing.

The new excel list price sheets will be available as soon as possible, for download on the ASC Engineered Solutions website www.asc-es.com. Please contact your local ASC Engineered Solutions sales

To: Spears® Manufacturing Company Distribution Partners

RE: Price Increase Notification

Due to continued increases in material and operational costs; Spears® Manufacturing Company will initiate a price increase on our Pipe, Fittings, Valves, Solvent Cement and ancillary products beginning May 17, 2021.

These changes are in addition to previously announced increases and will be as follows:

- All standard PVC-DWV products will increase by 20%.
- All other PVC and CPVC pressure pipe, fittings, valves and ancillary products will increase by 10%. This includes CTS, LE and LabWaste® branded products.
- All FlameGuard® pipe, fittings, valves and ancillary products will increase by 5%.
- All Solvent Cement /Primer products and accessories will increase by 5%

Updated list pricing will be available at www.spearsmfg.com the week of May 10, 2021.

Quotations issued on or before May 14, 2021 will be honored only until May 14, 2021. All orders will be for immediate shipment only. No future-ship orders will be accepted. Until further notice, we will monitor incoming orders and limit purchases to two weeks (1/24th) of your 2020 purchases within the particular product group. Orders outside typical purchasing characteristics in size and frequency are subject to revision or refusal.

We continue to work to keep product available to you while providing tangible value for being a loyal Spears® Distributor.

Thank you all for your continued support.

Sincerely,

Matt Baker
Vice President, Sales Operations
Spears® Manufacturing Company

**NDS Announces Price Increase Effective April 19, 2021
To Our Valued Customers**

NDS has experienced significant cost increases associated with plastic resins and metal prices that have escalated to unprecedented levels and were not accounted for in our January 1, 2021 price increase. Given these increased costs, NDS will implement a price increase on many of our product lines **effective April 19, 2021**

The product categories impacted by an approximate increase identified below and may vary by sku:

Category Code	Description	Increase
41BV, 41CV, 41FL, 41FS, 42BV, 42CP, 42GV, 42LS, 42LT, 42TS, 42UN, 50LP	Flo Products, Checkmate & Union Ball Valves, Landscape	3%
10FW, 10ND, 11RP, 25FC, 25IN, 25PF, 28ND, 35AB, 35PV, 45CO, 45CP, 45FS, 55GP	Flo Well, Basins & Grates, EZ Flow, Channels, Filcoten Channels, DRAINTech, ABS & PVC Backwater Valves, Flex Couplings, Caps & Saddles, Grass Pavers	5%
41MV, 41XC	MIP Valves, Expansion Couplings	6%
20ME, 20ND, 20NM, 20PR, 20VT, 21DI, 25DS	Valve & Meter Boxes, Drip Irrigation, Dura Slope Channel	7%
15BR, 21DT, 45HC, 45PC	Brass Fittings, Drip Tubing, Hose & Pinch Clamps	10%
30PV, 30ST	PVC & Styrene Fittings	13%
10SC	Storm Chambers	15%

An example of how we calculate list price increases: For a 5% increase, use old list ÷ 0.95.

New list prices will be posted to our website in Excel format by April 1, 2021– please visit our website www.ndspro.com and go to Support to find the new information. **To purchase products at current prices, all orders must be placed for shipment before April 16, 2021.** NDS reserves the right to reduce the size of any order that has more than 1/12th of your 2020 total purchases in categories affected by the increase.

Our www.ndspro.net website is a great resource to answer many of your questions and as a tool to confirm this new pricing. If you have not signed up for the website, you can contact our customer service department at customerservice@ndspro.com for easy instructions.

If you have any questions, please contact your NDS sales representative.

Thank you for being a loyal and valued customer of NDS. We work hard every day to earn your business by providing superior and innovative products, industry-leading service and support, and value as a trusted and knowledgeable growth partner.

PIPE & TUBING
DUCT & INNERDUCT

Valued Customers,

Re: Price Increase

Due to unprecedented volatility and demand in the plastics market, Endot must raise pricing for HDPE pipe and tubing accordingly effective **April 4, 2021**. Pricing as of April 4 will reflect a combined price increase of **15%**. This action is a direct result of March & April raw material increases passed on to Endot by our resin suppliers. Please note that Endot **did not** implement a price increase in March which helps to warrant such action.

Several key factors that are affecting the HDPE market are;

- a. Extreme demand for HDPE plastics used in the battle against COVID -19 in both the worldwide medical PPE and consumer household / personal cleaning and single use food container products markets.
- b. Shortage of ethylene, a key component in HDPE resin production.
- c. Continued Raw Material supply disruptions due to last months winter storm event in Texas.

We will be accepting orders at today's price until April 4. However, we will not accept large volume purchases above and beyond each customer's historical averages. We apologize for the need to implement this increase with such short notice, but extreme market events have driven this response.

If you have any questions, please feel free to contact me or your regional Endot sales representative. We appreciate your continued partnership and understanding during these difficult times. We will continue to notify you as the situation evolves.

Sincerely,

Dan O'Connor

Director of Sales

January 15, 2021

To Our Valued Customers,

Due to escalating raw material and transportation costs, we find it necessary to increase our prices.

Prices for no-lead brass, brass saddles, plastic pit setters, iron meter boxes, covers and lids, drilling machines, and meter testing equipment will increase by 7.5%. Uni-Flange® joint restraints will increase by 4%. These changes will be implemented by a list price adjustment and will become effective on Friday, February 19, 2021.

All orders received on or after February 19, 2021, will be subject to the new prices. All existing fixed price quotations and special price programs will be honored through the contract period. New quotations may be requested; however, they will be subject to the new prices.

The new price book will be available for downloading from our website, www.fordmeterbox.com, on February 12. An Excel price book will be available to customers for downloading on the Ford Meter Box® Distributor Portal. Please contact your Ford® Customer Service Manager to be set up on the portal.

Additionally, price increases from suppliers are impacting the manufacturing costs of our pipeline products (clamps, couplings, tapping sleeves, iron and stainless steel saddles, and fabricated steel products). Ford Meter Box's policy has always been to increase prices only when economically warranted. Regrettably, we anticipate a future price increase on these products and will provide as much advance notice as possible.

Best Regards,

Thomas A. Lower
Vice President
Senior Manager of Sales and Marketing

Rodney A. Kelsheimer
Manager of Inside Sales

December 1st, 2020

To Our Valued Customers:

World-wide economic conditions beyond our control continue to drive replacement costs upward across a wide spectrum of PVF products, including the Aluminum, Brass and Stainless Steel products that Merit Brass Company manufactures and distributes. Significant increases in raw materials, manufacturing and transportation costs as well as fluctuating currency exchange rates are forcing us to implement price increases on several of our lines. ***These increases will be in the form of new published list prices. Current discount multipliers will remain in place. These list prices will become effective on January 4, 2021.*** Orders placed by the end of business on Thursday, December 31st will be honored at current pricing, although we reserve the right to implement certain quantity restrictions. Most of the product groups will include changes that reflect a consistent, across-the-board percentage increase, but Brass Ball Valves will change at the item level and result in a wide range of increases within that product group. Stainless Steel Type “C” Stub Ends will continue to be included on the Butt Weld fitting price sheet, but only the Type “C” column is changing on the sheet.

Product groups affected and the percentage of increase are as follows. Please click on the link to download the Excel file of the category’s pricing:

- [Aluminum Nipples](#) **24%**
- [Brass Nipples](#) **12.5%**
- [Stainless Steel Nipples](#) **9.25%**
- [Brass Barstock Lead-Free Fittings](#) **6.5%**
- [Brass Barstock Leaded Fittings](#) **6.5%**
- [Domestic Lead-Free Brass Fittings](#) **6.5%**
- [Domestic Leaded Brass Fittings](#) **9.0%**
- [Import Lead-Free Brass Fittings](#) **8.25%**
- [Import Leaded Brass Fittings](#) **8.25%**
- [Leaded Chrome Plated Brass Fittings](#) **17.7%**
- [Lead-Free Chrome Plated Brass Fittings](#) **22.5%**
- [Chrome Plated Brass Nipples](#) **12.5%**
- [150# Stainless Steel MSS Cast Flanges](#) **8.5%**
- [Stainless Steel Type “C” Stub Ends](#) **24.8%**
- [“K” Series Stainless Steel Ball Valves](#) **12.5%**
- [Brass Ball Valves \(increase varies by item\)](#)
- [Stainless Thread Tape](#) **18%**

Thank you for your continued support, and please feel free to contact your [Regional Sales Manager](#) or any of our [Inside Sales](#) associates should you have any questions.

Regards,

Merit Brass Company

News and Special Announcements

To: Our Valued Matco-Norca Customer
From: Phillip Lewis, Vice President of Commercial Sales
Date: April 8, 2021
Re: Price Increase Announcement / Effective: May 3, 2021

MATCO-NORCA

Due to continued escalation in raw materials, transportation, and operating costs, Matco-Norca will be implementing the following list price increases effective May 3rd, 2021. Exact percentages may vary slightly by item, but estimated percentage increases by product category are outlined below.

SEARCH

Global sourcing. National compliance. Local service.

Product Category	Increase %
Stainless Steel and Carbon Steel Ball Valves Excluding Flanged Ball Valves	5%
Forged Steel and Cast Steel Gate/Globe/Check Valves	5%
Flanged Series Ball Valves	8%
Lead Free and Leaded Import Brass Fittings	8%
Carbon Steel Nipples Sched 40/80 (Welded & Seamless)	8%
Stainless Steel Nipples	8%
Brass Ball Valves	8%
PVC Valves	9%
Brass Nipples	9%
Compression Couplings	9-12%%
Forged Carbon Steel Fittings	10%
Flexible Rubber Coupling and SS Shielded Transition Couplings	10%
Supply Stops & Strainers	10%-12%
Cast Brass Adapters, CPVC Transition Fittings, Press Adapter Fittings, and Insert Fittings	12%
Brass Gate Valves, Check Valves, Y-Strainers, LP Valves, Heating Valves, and Gas Valves	12%
Cast Iron Specialties	12%
Water Service Fittings	12%

Orders placed for immediate delivery, on or before May 1st, 2021 will be shipped at current pricing. All list prices will be updated shortly and can be found at <http://www.matco-norca.com/prices>. Net price and multiplier revisions will be communicated directly.

Matco-Norca remains committed to providing you with the highest quality products and customer service, along with competitive pricing.

Thank you for your continued support of Matco-Norca.

May 7, 2021

To Our Valued Customers:

Effective at close of business today, Mueller Streamline Co. will increase list prices on Streamline® Copper Tube by approximately 10% (some items may vary) and adjust the multiplier structure. Please refer to the new price list UW CT0521 for specific item pricing.

The following multiplier schedule will apply to the new price list UW CT0521.

> 20k lbs.	.3675
7,500-20k lbs.	.3772
Will Call or < 7,500 lbs.	.4073

Multipliers are for individual orders to a single shipping location. Mueller Streamline Co. reserves the right to refuse orders based on the item and/or quantity makeup of the order.

The new price list will be available on the Mueller Streamline website at www.muellerstreamline.com. If you have any questions, please contact your local sales representative.

We thank you for your business and continued support.

Sincerely,

Re: Plastic Fittings Pricing

Effective Tuesday, June 1, 2021, NIBCO will increase list prices on PVC-DWV, ABS-DWV, PVC Schedule 80 pressure fitting and PVC Schedule 40 pressure fitting categories.

The following list price sheets will be affected:

PVC-DWV Fittings, PDWV-0521: 7% (divide list price sheet by .93)
ABS-DWV Fittings, ADWV-0521: 7% (divide list price sheet by .93)
PVC Schedule 40 Pressure Fittings, PVC-0521: 7% (divide list price sheet by .93)
PVC Schedule 80 Pressure Fittings: CH-COM-0421 7% (divide list price sheet by .93)

Some select SKUs will reflect higher or lower increases. Please review the new list price sheets for specific price changes. Current multipliers will remain in effect.

The new list price sheets, PDWV-0621, ABS-0621, PVC-0621 and CH-COM-0621 will be available on Friday, May 28, 2021, via the NIBCO websites at www.nibco.com and www.nibcopartner.com. You will have options to download and/or print copies of the price sheets in MS Excel and PDF formats.

We will accept pre-increase orders of no more than 1/24th (2 weeks) of your annual PVC-DWV, ABS-DWV, PVC Schedule 80 pressure plastic fittings and PVC Schedule 40 pressure plastic fittings purchases from NIBCO. Pre-increase orders must be placed with our office by close of business on Friday, May 28, 2021. All such orders will be for immediate release and shipment. No further price protection will be offered.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.

Sincerely,

NIBCO INC.

Subject: Zurn Industries Commercial Price Adjustment - **US Market Only**

Effective: June and July 2021

The Building Materials segment overall, and Zurn Industries, LLC, are experiencing unprecedented raw material increases, inflationary pressures, and freight expenses at a consistent and alarming rate. As a result, we have no choice but to announce another price increase to help mitigate the impact of extraordinary raw materials inflation as follows:

Effective **June 1, 2021**, Specification Drainage will adjust average territory multipliers up 2.5s.

In addition, effective **July 1, 2021**, Zurn will implement the following price increases:

- Commercial Brass – 8%
- Flo-Thru – 8%
- Green Turtle – 8%
- Specification Drainage – 8%
- Wilkins – 15%

While Zurn remains committed to managing costs, the current economic situation does not guarantee that future price adjustments may be needed.

Price Protected Orders

- All price protected orders must be entered AND released for shipment by June 30, 2021.
- Any projects awarded or orders entered on or after June 30, 2021, will reflect new pricing.

Due to unprecedented demand, Wilkins stocking orders are not to exceed one month's average purchases. All Wilkins June stock orders must be placed by Friday, June 4th. Stock orders placed after this date should expect a July ship date, with the above announced increase applied to the order.

New pricing will be distributed in June. Please contact your Zurn Sales Representative or Area Sales Manager with any questions.

It is our commitment to provide innovative and lean building water solutions that deliver the most reliable performance and long-term value for our customers. This price adjustment enables Zurn to continue reinvesting in the business to better serve the industry and our valued customers.

We appreciate your continued support of Zurn products.

Sincerely,

Subject: Price Announcement - Copper Tube 050721

MUELLER STREAMLINE CO.
150 Schilling Blvd., Suite 201
Collierville, TN 38017
P 901.751.7709

May 7, 2021

To Our Valued Customers:

Effective at close of business today, Mueller Streamline Co. will increase list prices on Streamline® Copper Tube by approximately 10% (some items may vary) and adjust the multiplier structure. Please refer to the new price list UW CT0521 for specific item pricing.

The following multiplier schedule will apply to the new price list UW CT0521.

> 20k lbs.	.3675
7,500-20k lbs.	.3772
Will Call or < 7,500 lbs.	.4073

Multipliers are for individual orders to a single shipping location. Mueller Streamline Co. reserves the right to refuse orders based on the item and/or quantity makeup of the order.

The new price list will be available on the Mueller Streamline website at www.muellerstreamline.com. If you have any questions, please contact your local sales representative.

We thank you for your business and continued support.

Sincerely,

Devin Malone
President
Mueller Streamline Co.
