Subject: Street Naming – Anthony F. Sansone Boulevard, Sr. - SG Plat 33 and SG Plat 35

Dear Ms. Kean:

On behalf of the Sansone Development Company, please accept this letter as our request that 'Tract R-1' of Southern Grove Plat 33 (copy attached) be formally named, in accord with City practices, *Anthony F Sansone Sr Blvd*. This naming convention has been previously discussed, and conceptually agreed to, with City and County staff. Attached for your reference is the required confirmation from the County that the naming structure, including its length, is consistent with County emergency notification standards. Altogether, the total characters used for any property located along this roadway is 30; five (5) for the street number; 21 for the street name (including directional prefix); and four (4) blank spaces (blank spaces count). The maximum permitted character length is 30.

Please note that based on the attached correspondence from St. Lucie County, Southern Grove Plat 35 (copy attached) included the street name, *SW Anthony F Sansone Sr Blvd*, on the Plat itself. If we need to include this portion of the Boulevard as part of this naming action, please do so.

It is our intention to carry the name *SW Anthony F Sansone Sr Blvd*, north of its current termini at Paar drive (SG Plat 35) as this area of the overall Southern Grove DRI is developed. Please advise as to how we should go about preserving the naming of this section of roadway. In addition, we acknowledges that as part of any future replating of the remaining 'Tract' portions of either Southern Grove Plat 33 or Southern Grove Plat 35, we will address any future street naming matters in those areas, as necessary.

If you have any questions about this, please let me know.

Sincerely:

A handwritten signature in blue ink that reads "D J Murphy".

Are there going to be any addresses assigned to this name? Anthony F Sansone Sr Blvd might be better just Anthony F Sansone Blvd or Anthony Sansone Blvd
I am also assuming it will have a directional such as SW Anthony F Sansone Sr Blvd

Thank You!

JoAnn:

As the keeper of all County street names, I need to confirm with you the availability of "Anthony F. Sansone, Sr. Boulevard" as the street name that we wish to assign to the new access road that we are building in Port St. Lucie. This will be north/south roadway that will run parallel to Village Parkway, in-between Village and I -95.

If this name is too long, then let me know what happens if we shorten it to "Sansone" Boulevard.

Thanks.
